## SUMMARY:

On August 8, 2018, at approximately 1711 hours, San Diego Police received a 911 call reporting an assault with a deadly weapon. Witnesses reported seeing a male, later identified as Vaughn Denham, attack another male, later identified as [REDACTED]. Witnesses reported Denham hitting [REDACTED] in the head and torso with a machete.

Officer Pitts responded to the call and advised dispatch he was making contact with a person matching the description of the suspect. As Officer Pitts was getting out of his vehicle, Denham ran up to the car and swung a four-foot long metal chain striking Officer Pitt's vehicle. Officer Pitts removed his Taser and ordered Denham to drop the chain. Denham refused and began walking towards Officer Pitts while swinging the chain. Officer Pitts deployed his Taser, which was ineffective in stopping Denham.

Officer Pitts then removed his duty weapon from his holster and pointed it at Denham. He continued to retreat from Denham for a block and a half to keep from being struck with the chain. Denham continued to close the distance between him and Officer Pitts shifting the chain from hand to hand. After giving multiple commands to "Drop the chain or I will shoot," Officer Pitts fired two rounds from his duty weapon striking Denham. Denham was transported to a local hospital where he was pronounced dead.

Homicide Team IV responded and handled the investigation.

## INVESTIGATION:

On August 15, 2018, I was assigned the administrative investigation of IA case #2018-0452 by Lieutenant Phillips.

On November 26, 2018, I received the Special Investigation Case # 18-025270 from Homicide Team IV. The investigation contained the following:

- Crime Report
- Crime Scene Report (to include crime scene and autopsy photographs)
- Forensic Biology Unit Laboratory Report
- Forensic Technology Unit Laboratory Report
- Firearms Unit Laboratory Report
- Interview of Officer Pitts
- Investigator's Report of Officer Pitts' Walkthrough
- Forensic Processing Investigation
- Victim interview
- Witness interviews
- Officer Interviews
- San Diego Sheriff's Department data sheet on Denham
- Officer Reports (A-9s)
- Hospital follow up report (with medical release form)
- County Medical Examiner's Report
- Event Chronology
- Search Warrant documentation
- CD/DVD officer's Body Worn Camera (BWC) footage
- CD/DVDs of the crime scene (to include the search warrant)
- CD/DVD of the OIS briefings
- CD/DVD of Officer Pitts Walkthrough
- CD/DVD of the 911 tapes
- CD/DVD of the interviews of Officer Pitts, Officer Langley, and Officer Iwatsuru
- CD/DVD of witness interviews
- CD/DVD of victim interview
- CD/DVD of witness cell phone recordings
- CD/DVD of medical records

The internal investigation was tolled (placed on hold) until the independent assessment was completed by the District Attorney's Office on the circumstances surrounding the use of deadly force.

On February 6, 2019, the Internal Affairs Office received a letter from District Attorney Summer Stephan summarizing her findings. It was determined Officer Pitts fired at Denham in his own defense. The conclusion of District Attorney Stephen's letter states:

In this case, Mr. Denham assaulted another male with a machete inflicting severe trauma to the victim's head and torso. A witness to the attack called 911 to summon police and medics. Officer Pitts was the first officer to arrive on the scene and encounter Denham. Before Pitts could get out of his patrol vehicle, Denham ran towards him swinging a large chain. Pitts managed to exit his vehicle just as Denham began to strike the patrol car with the chain. Pitts order Denham to stop and drop the chain. When Denham did not comply with his orders, Pitts deployed his Taser, which had no effect on Denham. Pitts drew his duty weapon and again ordered Denham to stop and drop the chain. Throughout the encounter, Pitts retreated away from Denham as Denham continued to walk towards Pitts. Pitts retreated one and a half blocks while attempting to get Denham to stop advancing on him and drop the chain.

Based on the circumstances, Pitts fired at Denham in his own defense. He, therefore, bears no state criminal liability for his actions.

On February 7, 2019, I reviewed the BWC videos of the following:

- Officer Pitts – shots fired at time stamp 03:28
- Officer Iwatsuru – arrived on scene at time stamp 01:56
- Officer Langley – arrived on scene at time stamp 01:57

The following is a summary of the footage from Officer Pitts BWC camera:

Officer Pitts responded to the scene and exited his vehicle. Denham immediately swung a chain onto the hood of Pitt's patrol vehicle. While retreating northbound up South 40<sup>th</sup> street, Officer Pitts drew his Taser and commanded Denham to stop and drop the chain. When Denham did not comply, Officer Pitts deployed his Taser, but it did not subdue Denham. Officer Pitts then drew his service weapon. Officer Pitts continued to retreat northbound up South 40<sup>th</sup> street, facing southbound towards Denham. Denham continued to advance on him. Officer Pitts gave multiple commands ordering Denham to "drop the chain or I will shoot." Officer Pitts eventually fired two times, hitting Denham both times. Approximately one minute and twenty-nine seconds elapsed between the time Officer Pitts contacted Denham and the time he discharged his weapon.

I reviewed the Special Investigation Book completed by Homicide Team IV. I reviewed the reports completed by Homicide detectives and ARJIS-9 reports completed by patrol officers at the time of the incident.

I reviewed the Homicide Crime Scene Report completed by Detective Delgadillo ID #5596. San Diego Police Criminalist Ally Southerland and Criminalist Brian Lew were assigned to process the scene. The report included Homicide Briefings by Sergeant Alexander and Sergeant White.

Sergeant Alexander's briefing is paraphrased as follows:

*At 1730 hours, dispatch received a call at [REDACTED] with a phone number of [REDACTED]. A follow up call also stated a male with a machete. The reporting party was from [REDACTED].*

*The temperature was 86 degrees*

*The first officer on the scene was 446Y2, Officer Cory Pitts. Officer Hamilton #7379 arrived on the scene and was with the initial victim [REDACTED]. The second officer on the scene was Officer Serrano. I was the third officer to arrive on the scene and briefly spoke with [REDACTED] told me "Vaughn did it." [REDACTED] initial injuries were on the left side of his head, left wrist, and two lacerations across his chest.*

*Paramedics 11 and Engine 12 arrived on the scene and transported [REDACTED] to UCSD (Trauma [REDACTED])*

*A witness [REDACTED] had heard the suspect throw something onto a rooftop. Officers later located a bloody machete/knife on the rooftop of [REDACTED]. Officers conducted a check of the residence and did not locate anything further.*

Sergeant White's briefing is paraphrased as follows:

*At 1713 hours, [REDACTED] reported an assault with a machete. The radio call was entered into communication at 1713 hours and dispatched about at 1714 hours. The incident number was 18080013593. The call originally came in as a 245 "hot call" at [REDACTED] beat 442. Weather conditions were clear and sunny and the temperature was 86 degrees.*

*The first officer to arrive on scene was Officer Cory Pitts #7564 at 1716 hours. He was unit 446Y2.*

*The suspect was Vaughn Denham, DOB 10-01-1969, black male, 6'2", and 160lbs. Last known address was [REDACTED]. Denham was transported to UCSD and pronounced deceased at 1945 hours by Dr. Constantine. Initially, Denham's injuries were described as one gunshot*

wound to the chest and one gunshot wound to the left hand possibly traveling up his arm and out his bicep. Officer Downing #7203 (431Y2) was with Denham at UCSD Hospital.

The scene of the OIS is located at 1000 S 40<sup>th</sup> Street. It is directly in front of vehicle #7007 which is parked mid-block 1000 S 40<sup>th</sup> Street. When I arrived, the suspect was still down in front of that vehicle and handcuffed. It appeared he was originally confronted at 1100 S 40<sup>th</sup> street because of Officer Pitt's Taser is on 1100 S 40<sup>th</sup> Street. Officer Pitts' vehicle was moved from the scene and parked over in front of 4051 Boston Avenue.

I spoke with Officer Pitts and he gave me a safety briefing. Officer Pitts told me he was facing southbound and the suspect was facing northbound. He fired two shots and believed they both struck the suspect. Officer Pitts went with Officer R. Medina ID #6545 (Peer Support) to Southeastern Division after the incident.

Officer E. Langley #7523 (438Z) and Officer J. Iwasturu #7129 (438Z) arrived on the scene as the shooting was occurring. Sgt C. Rivera (SDPD Wellness) took those officers to Southeastern Division.

Evidence found located at the scene:

- Chain - West curb line of 1000 S 40<sup>th</sup> Street
- Taser – Midblock 1100 S 40<sup>th</sup> Street
- In front of vehicle #7007 were a bundle of marijuana, Viejas Payers Cards, disposable razor, bi-fold wallet, two bullet fragments on the ground, a broken watch, one shoe, lighter, bloody handcuffs, and medic supplies

Medic #10 – Paul Maxwell #PM3228 and Andrea Missley #AN3675

Engine #12 – Karl Benson #KB0900, Antonio Davis #AD7215, Bryan Gray #BG4773 and Paul Maestras #PM3187

I reviewed the Firearms Unit Laboratory report prepared by Criminalist II Toniann Rebick, ID #8154. Criminalist Rebick completed the report for Officer Pitts' firearm. The firearm was listed as:

Glock, model 17 GEN 4, semi-automatic pistol chambered in 99 mm Luger caliber, serial number: [REDACTED] with stream light flashlight (S/N: 3709610517 – works), and three magazines

Criminalist Rebeck made the following observations regarding Officer Pitt's firearm:

The Glock Pistol was received with the slide closed, the trigger set, a cartridge in the chamber, a Streamlight flashlight attached below the barrel, a seated magazine, and two extra magazines. The capacity of each of the magazines is seventeen rounds. The seated magazine contained fourteen cartridges, and the extra magazines contained sixteen and seventeen cartridges. All cartridges were consistent with Department issued ammunition. The total capacity of this pistol with one round in the chamber and a full magazine is eighteen cartridges ("hot loaded"). The evidence indicates that if the pistol was "hot loaded," three rounds were fired from this pistol. If a different number of cartridges had been loaded into the seated magazine, then a different number of fired rounds would be indicated. The pistol was test fired and was found to operate normally.

I reviewed the Medical Examiner's report by Deputy Medical Examiner Bethann Schaber, M.D. The cause of death was listed as gunshot wound of the torso. Denham had one penetrating gunshot wound to the right abdomen and one penetrating gunshot wound to the right bicep.

On February 7, 2019, at 0945 hours, I sent San Diego Police Department Firearms Range Sergeant Christopher Sarot, ID #4689, an email requesting the qualification information for Officer Pitts and his Glock firearm(s).

At 1346 hours, Sergeant Sarot sent an email informing me Officer Pitts was authorized to carry his Glock 17 on the date of the incident by having qualified with his duty weapon on 09/29/2017.

## CONCLUSIONS:

On August 8, 2018, at 1711 hours, the San Diego Police Department Communications Unit received their first 911 call about a male with a machete who had just struck another male. The location was [REDACTED] (E18080013593). An additional five callers contacted communications immediately following, describing the same set of observations.

Officer Pitts responded to [REDACTED]. He was the first officer on the scene at 1716 hours. Vaughn Denham was spotted in the middle of the street holding a four-foot long trailer chain. Officer Pitts exited his vehicle. Denham began swinging the chain at Officer Pitts striking his vehicle. Officer Pitts retreated Northbound up South 40th Street as Denham advanced on him. He ordered Denham to stop, but Denham did not comply. Officer Pitts deployed his Taser at Denham, but it was ineffective. He continued to retreat up to the 1000 block of 40th Street from Denham. Denham was still advancing towards him until Officer Pitts fired his service weapon twice hitting Denham in the torso.

Officer Iwatsuru and Officer Langley arrived as shots were fired. They detained Denham by placing him in handcuffs. Officer Langley requested paramedics for Denham. Officer Iwatsuru started emergency medical treatment. Paramedic Unit #10 and Engine #12 arrived on the scene. Denham was transported to UCSD Medical Center where he was pronounced dead.

Sergeant Alexander and Sergeant White responded to the location. They coordinated their efforts to secure the scene and directed witness checks. Notifications were made to the command staff. Homicide Team IV responded along with crime scene specialists. At 1917 hours, Sergeant Alexander and Sergeant White conducted the Homicide Briefing.

At 2127 hours, Officer Pitts participated in a walkthrough with Sergeant Velovich of the Homicide Unit.

The following is a summary of the information provided by Officer Pitts:

Officer Pitts stated that he deployed his Taser at Denham, who was positioned south of him on the 1100 block of South 40th Street, but it was ineffective. He stated that he retreated away from Denham up to the 1000 block of South 40th Street where he fired two times in a southerly direction at Denham. Denham was approaching north towards Officer Pitts when Officer Pitts fired at him from a standing position. Officer Pitts did not reload his service weapon after he fired.

At 2320 hours, Lieutenant Dobbs and Sergeant Velovich of the Homicide Unit interviewed Officer Pitts. Attorney Krause was present as Officer Pitts' representative. The following is Officer Pitts' paraphrased statement derived from his recorded interview:

I volunteered for a radio call. It came out as a 245 PC. A male had been hit in the head with a machete. I went to [REDACTED] It took me about two minutes to get there.

When I arrived, I identified the suspect. The information provided on the radio call was of a black male with no shirt and black shorts. He was going west on Boston.

I parked in the intersection of Boston and South 40<sup>th</sup> Street. When he saw me he immediately ran towards me. I stepped out of the vehicle. He came up and hit the vehicle with the chain. He got my hood and windshield. The chain was about four to five feet long. It was pretty thick. I then moved behind my vehicle to create distance.

I told him to drop the chain. He did not comply. I then took out my Taser. I displayed it. I worked to create distance by walking backward. He just kept swinging the chain in an aggressive manner. I began to fear for my life. I thought I would be hit by the chain. He would not listen to any of my commands so I decided to deploy my Taser. He blocked the Taser barbs with the chain. They actually got caught inside the chain. It had no effect. I immediately dropped my Taser.

I took out my handgun and I aimed my gun at him and told him, "Drop the chain" and "Get on the ground!" I told him I would shoot him if he did not drop the chain. I was still walking backward northbound up South 40<sup>th</sup>. He was coming towards me as I was walking backward.

He was upset. He was swinging the chain as he was walking towards me. I believed he was going to hit me with the chain so I kept trying to keep a good amount of distance between us. There was about a seven to ten feet distance between us. As I was backing up, I continued to give him consistent commands to drop the chain. I was trying to give him an ample amount of time to cooperate with me. To comply with my commands. He never complied. He never dropped the chain.

As I was walking back I noticed we were heading for National Avenue. I could not see what was behind me to include any cars coming. I did not want to walk into traffic. He was moving closer. He was swinging the chain more aggressively. He actually switched hands and then switched back. I could tell more individuals were on the street. I gave him at least ten to fifteen commands to stop.

At this point, I felt he was going to strike me with the chain. That is when I decided to fire. I felt that if I would have got hit with the chain, it probably would have knocked me down to the ground or probably disable me from having my weapon. With his demeanor, I felt he would have probably shot me with my own weapon if he would have had a chance to.

I believe I fired two rounds. Both rounds hit the suspect. When I fired my weapon he went down to the ground.

That is when the next officer arrived on the scene. He then tried to get off the ground. The officer took him down and attempted to take him into custody by placing handcuffs on him.

He was mumbling the entire time but I don't recall what he was saying. I believe he was under the influence of some controlled substance. I don't believe he knew he was dealing with a police officer even though I was in uniform. I would describe his behavior as erratic. I did not notice much else about him as I was just focused on him not hitting me with the chain.

First aid was then rendered. I believe it was Officer Iwatsuru. Medics were also called. He was then transported.

The interview concluded at 2345 hours.

## **San Diego Police Department Procedure 1.05, Firearms Procedure, Section III, B, 2, (06/20/17),**

B. No officer shall discharge a firearm in the performance of duty except:

2. When the officer has a reasonable belief that a subject (or animal) possess an imminent threat of death or serious bodily injury to the officer or another person.

Denham was armed with and swinging a four-foot trailer hitch chain when Officer Pitts arrived on the scene. Officer Pitts was responding to a radio call of a man who had struck another male, with a machete. When Officer Pitts attempted to make contact with Denham, Denham struck Officer Pitts patrol vehicle with the chain. Denham then began moving directly towards Officer Pitts. Officer Pitts backed up down the street giving Denham multiple commands to drop his chain. When Denham did not comply with Officer Pitts' orders, Officer Pitts attempted to stop Denham's forward progression by deploying his Taser. The Taser was ineffective.

Officer Pitts then removed his duty weapon aiming at Denham as he continued to move back down the street. Based on the BWC footage, Officer Pitts gave clear commands of, "Drop the chain and get on the ground or I will shoot you." Denham never deviated from moving forward on Officer Pitts, shifting the chain from hand to hand.

Officer Pitts then fired his weapon at Denham. During his interview with the Homicide Unit, he clearly articulated his belief that if he had not shot, he would have been seriously injured or worse.

## **San Diego Police Department Procedure 1.04, Use of Force, Section III (03/08/18), states in part:**

The San Diego Police Department recognizes and respects the value of human life, having this as its highest priority. It is the policy and practice of the Department to train its personnel in the use of the safest, most humane restraint procedures and force options currently known. The Department seeks to demonstrate integrity and make decisions that are fair, respectful, lawful, and based on good judgment.

In the performance of their duties, officers may encounter situations where the use of force is reasonable in order to effect detention or arrest, to overcome resistance, or to protect themselves or others. Force, as authorized by Penal Code section 835a, and as set forth in this policy, may be used in those situations. The decision to use deadly force in response to an imminent threat of death or serious bodily injury to the officer or another person is one of the most critical decisions an officer will ever be called upon to make.

The only force that is reasonable to overcome resistance may be used to effect detention or an arrest or take a mentally ill or emotionally disturbed person into protective custody. The U.S. Supreme Court in *Graham v. Connor*, 490 U.S. 386 (1989), acknowledged that the "reasonableness" test in analyzing the use of force is "not capable of precise definition or mechanical application." For that reason, in determining whether an officer's use of force is reasonable in a particular case, it is necessary to evaluate the facts and circumstances confronting the officer at the time that force was used. All of the surrounding circumstances will be considered, including whether the subject posed an imminent threat to the safety of the officer or others, the severity of the crime at issue, and whether the suspect actively resisted arrest or attempted to flee.

Penal Code section 835a authorizes an officer to use reasonable force to make a lawful arrest, prevent an escape, or to overcome resistance. Officers are not required to retreat or desist from their efforts by reason of resistance or threatened resistance of the person being arrested.

The evaluation of an officer's use of force will be undertaken from the perspective of a reasonable officer on the scene, not through the 20/20 vision of hindsight. The central inquiry in every use of force case is whether the amount of force used by the officer was objectively reasonable in light of the particular circumstances faced by the officer.

**San Diego Police Department Procedure 1.04, Use of Force, Section IV (03/08/18), states in part:**

E. Deadly Force – a force that creates a substantial risk of causing death or serious bodily injury.

San Diego Police Department procedures state when an officer has a reasonable belief that a subject poses an imminent threat of death or serious bodily injury to the officer or another person, the use of a firearm is allowed.

Based on Officer Pitts' statement, San Diego Police Department procedures, the investigation conducted by Homicide Team IV and my administrative investigation, Officer Pitts used his firearm to stop an imminent threat of great bodily injury or death to himself. The decision of Officer Pitts to use deadly force was reasonable, legal and **WITHIN** Department Policy and Procedure.

**Re: Fatal shooting of Mr. Vaughn Denham on August 8, 2018, by San Diego Police Officer C. Pitts; San Diego Police Department Case# 18-025270; DA Special Operations Case No. 18-157PS; Deputy District Attorney Assigned: Paul Reizen**

Dear Chief Nisleit:

This review was conducted pursuant to the joint protocol between this office and all San Diego law-enforcement agencies calling upon the District Attorney to conduct an independent assessment of the circumstances surrounding the use of deadly force. As part of our analysis, we have reviewed the reports and other materials compiled by the San Diego Police Department's Homicide Unit concerning the circumstances leading to the fatal shooting of Mr. Vaughn Denham on August 8, 2018, by San Diego Police Officer C. Pitts. A District Attorney Investigator responded to the scene and was briefed by investigators. This case was presented to the District Attorney's Office for review on December 4, 2018.

**Persons Involved**

At the time of the incident, Mr. Vaughn Denham was a 48-year old resident of San Diego County. Officer C. Pitts had been a police officer for two years and was assigned to the Southeastern Division.

**Summary**

On August 8, 2018 at approximately 5:11 p.m., San Diego Police received a 911 call reporting an assault with a machete. Witnesses reported seeing Mr. Denham attack another male in the head and torso with a machete. Officer Pitts responded to the call and advised dispatch he was making contact with a person matching the description of the suspect. As Pitts was getting out of his vehicle, Denham ran up to the car and swung a four-foot long metal chain striking Pitt's police car. Pitts got out of the car and ordered Denham to drop the chain. Denham refused and began walking towards Pitts while swinging the chain. Pitts deployed his Taser, which was ineffective in stopping Denham. Pitts continued to retreat from Denham for a block and a half to keep from being struck with the chain. As Denham continued to close the distance between he and Pitts, Pitts fired two rounds from his duty weapon striking Denham. Denham was transported to a local hospital where he succumbed to his injuries.

## **WITNESS STATEMENTS**

### ***Witness One (W1)***

Witness One visited his cousin's house. While inside the house, he heard his cousin screaming and loud banging outside. W1 went outside and saw Mr. Denham breaking a car window with a large chain. W1 tried calming Denham and coaxing him to drop the chain. Denham ignored W1 and instead began to kick down the back fence along the alley. W1 told Denham to leave. Denham refused and began swinging the chain at W1 and attempting to strike him with it. W1 was able to dodge the chain several times. At some point during the altercation, Denham armed himself with a machete and struck W1 in head causing his head to bleed. W1 attempted to get away. Denham discarded the machete, picked up the chain again, and told W1 he was going to kill him. W1's cousin tried to stop Denham from attacking W1 with the chain. Denham was able to strike W1 in the chest and leg with the chain.

W1 heard the police arriving and Mr. Denham stopped attacking him. W1 believes Denham was under the influence of some type of controlled substance. W1 was transported to the hospital where he received fourteen stitches on the top of his head and seven stitches on his left forearm.

### ***Witness Two (W2)***

Witness Two resides in the area of the shooting and saw Mr. Denham holding a machete in his right hand. Denham appeared agitated and a female who lives in the area was telling Denham to stop. W2 saw Denham swing the machete at a male standing on the front porch of a home on Boston Avenue. W2 believes Denham struck the male on the left side of the body with the machete. W2 asked a passerby to call the police.

### ***Witness Three (W3)***

Witness Three saw Mr. Denham carrying a machete and waving it around. Denham struck W1 several times with the machete causing W1 to bleed from his head and face. W1 ran into the street in an attempt to get away from Denham. A female tried to calm Denham down but he was screaming and asking for his chains. W3 saw Denham return to the street carrying and swinging a chain. The female told Denham to stop and the police were on their way. Denham walked down the street and W3 lost sight of him.

### ***Witness Four (W4)***

Witness Four heard a commotion and looked outside and saw Mr. Denham holding a machete to W1 on the ground. Denham's girlfriend was trying to get the machete away from him. W1 got up off the ground and was bleeding pretty bad. W4 called 911 and asked for an ambulance. Denham went into the house and returned with a chain. W4 has seen Denham swing the chain at neighbors in the past. Denham started walking toward 40th Street and then towards National Avenue. W4 lost sight of Denham and a few minutes later heard two gunshots.

### ***Witness Five (W5)***

Witness Five was walking on 40th street to Boston Avenue when he saw a police car stop just south of mid-block. W5 saw Mr. Denham running west on Boston Avenue toward the police car. Denham was in the middle of the street and a female was running after him yelling at him to stop. Denham was holding a chain in his hands.

The officer got out of his car, drew his stun gun, and yelled, "Stop." Mr. Denham did not listen and instead rushed at the officer. The officer stepped back and Denham swung the chain and hit the officer's patrol car twice. The officer Tased Denham, but the Taser did not affect him. Denham continued to come at the officer. The officer dropped the Taser and pulled his gun out. The officer kept yelling at Denham to stop while at the same time walking backwards. W5 stopped following the officer and Denham as they moved north. After a short time, W5 heard two gunshots but did not see what happened.

***Witness Six (W6)***

Witness Six heard yelling in the street from his doorway. W6 saw Mr. Denham swinging a chain and the officer backing away from the suspect. The officer was saying 'stop' and 'get down' loudly. The suspect swung the chain at the officer and the officer fired two shots.

***Witness Seven (W7)***

Witness Seven saw Mr. Denham with a chain and he was swinging it from side to side. The officer had his gun pointed at Denham and kept telling Denham to drop the chain. The officer was walking backward the whole time. Denham wouldn't listen or obey the officer. It appeared the officer did not want to shoot Denham. The last thing the officer told Denham before he shot him was to stop. The officer fired two shots. Denham looked really angry. W7 couldn't hear or articulate what Denham was saying.

***Witness Eight (W8)***

Witness Eight saw Mr. Denham approach the officer. The officer ordered Denham to stop and drop the chain. The officer told Denham he would shoot Denham if he did not comply. Denham ignored the orders to stop and continued to advance on the officer. Denham had a four-foot chain which he was dragging on the ground and swinging it like he was going to hit the officer with it. As Denham continued to walk towards the officer, the officer fired two rounds at Denham and Denham went down.

**OFFICER STATEMENTS**

***Officer One (O1)***

Officer One was working patrol with his partner Officer Two when they responded to a radio call of an assault with a machete. The suspect was described as a black male wearing no shirt, black shorts and armed with a machete. Officer Pitts was also dispatched to the call. Pitts arrived at the call before O1. O1 heard Pitts say over the radio the suspect was coming at him and he had deployed his Taser.

As O1 arrived on scene, he saw Officer Pitts in the street with Mr. Denham about two blocks from Pitts' vehicle. Denham was holding something in hands and was whipping it around. As O1 drove closer, he saw Denham was holding a chain. Pitts was walking backwards and Denham was walking towards Pitts swinging the chain. When O1 was about 25 to 50 feet from Pitts, he heard two gunshots and saw Denham fall to the ground. O1 provided first aid to Denham while they waited for medics to arrive.

***Officer Two (O2)***

Officer Two and his partner Officer One responded to a call of a man being attacked with a machete. Officer Pitts was closer to the call and also responded. Pitts arrived at the call before O2 and

immediately advised over the radio the suspect was approaching him with a chain. O2 sensed Pitts was under stress and O2 could also hear yelling in the background. The next thing O2 heard Pitts say over the radio was "Taser deployment." O2 arrived on scene and saw Pitts' vehicle unoccupied but could not locate Pitts. O2 asked dispatch to confirm Pitts' location.

Officer Pitts got on the air and sounded even more stressed. Pitts yelled his location over the radio. As O2 approached Pitts' location, he could see Pitts was walking backwards and had his gun drawn and pointed at Mr. Denham. Denham appeared very agitated and was walking toward Pitts at a pretty fast rate. Denham was holding a chain which he was swinging and striking the ground with.

As Mr. Denham continued to approach Officer Pitts, O2 saw Pitt's fire two rounds at Denham and Denham fall to the ground. O2 exited his vehicle, drew his weapon and ordered Denham to stay down on the ground and show his hands. Denham did not comply and attempted to stand up. When Denham got up on his hands and knees, O2 and his partner held Denham down. O2 was able to handcuff Denham and began first aid.

#### ***Officer Pitts***

Officer Pitts responded to a radio call of a man struck in the head with a machete. Pitts was the first officer to arrive on scene and saw Mr. Denham who fit the description of the suspect provided by dispatch. As Pitts was parking his patrol vehicle, Denham ran up to the police car and struck the hood and windshield with a four to five-foot long chain that was pretty thick.

When Officer Pitts saw Mr. Denham running toward his patrol car with the chain, he exited the vehicle and ordered Denham to drop the chain. Denham continued to walk towards Pitts swinging the chain in an aggressive manner. Pitts drew his Taser and ordered Denham to drop the chain. Denham did not comply and continued walking toward Pitts. Pitts attempted to create distance between him and Denham by walking backwards in a northerly direction. Pitts deployed his Taser, but the barbs got tangled in the chain and the Taser was rendered ineffective. Pitts dropped the Taser and drew his duty weapon.

Officer Pitts again ordered Mr. Denham to stop and drop the chain. Denham disregarded the commands and continued advancing on Pitts while swinging the chain. Pitts continued to back up across the intersection of Newton Avenue and South 40th Street and then towards the intersection of National Avenue and South 40th Street. Denham was closing distance on Pitts and swinging his chain even more aggressively. Pitts believed Denham was going to strike him with the chain as Pitts was attempting to negotiate the busy intersection. In response, Pitts fired two rounds at Denham who went down to ground. Pitts knew if Denham hit him with the chain, Pitts would probably be knocked to the ground disabling him from his firearm, which would give Denham the opportunity to use Pitts' firearm on Pitts. After being struck by gunfire and falling to ground, Denham attempted to get back up until other arriving officers handcuffed him.

#### **Investigation**

The crime scene was secured, photographed, and investigated by San Diego Police Department's Homicide detectives. All detectives' reports, crime-scene investigators' reports, and audio-recorded witness interviews were reviewed.

Portions of the shooting event were captured on cell-phone video by several witnesses as well as by body-worn camera by Officer Pitts, O1, and O2. All of the video footage is consistent and corroborates Pitts' account of the incident.

On August 9, 2018, Dr. Schaber performed an autopsy of Mr. Denham. The autopsy documented four gunshot wounds to the left hand, right arm, and torso; two of these wounds may have been reentry wounds.

Toxicological studies performed on blood collected from Mr. Denham indicated the presence of Phencyclidine (PCP), Cannabinoids, and Methamphetamine.

### **Legal Analysis**

Under California law, peace officers may use deadly force to protect themselves from the threat of death or great bodily harm and to use reasonable force in making an arrest. California Penal Code section 835a allows an officer to use reasonable force to make an arrest and to overcome resistance by a person whom he has reasonable cause to believe has committed a public offense.

In accordance with Penal Code section 196, peace officers may use deadly force in the course of their duties under circumstances not available to members of the general public. We are mindful, however, that certain limits on the use of deadly force apply to peace officers. The U.S. Ninth Circuit Court of Appeals, in the case of *Scott v. Henrich* (9th Cir. 1994) 39 F.3d 912, delineated those circumstances under which deadly force may be used:

[P]olice may use only such force as is objectively reasonable under the circumstances. An officer's use of deadly force is reasonable only if 'the officer has probable cause to believe that the suspect poses a significant threat of death or serious physical injury to the officer or others.' All determinations of unreasonable force 'must embody allowance for the fact that police officers are often forced to make split-second judgments – in circumstances that are tense, uncertain, and rapidly evolving – about the amount of force that is necessary in a particular situation.'"

The "reasonableness" of a particular use of force must be judged from the perspective of a reasonable officer on the scene, rather than with the 20/20 vision of hindsight. *Graham v. Connor* (1989) 490 U.S. 386, citing *Terry v. Ohio*, 392 U.S., at 20-22.

In addition to any laws applicable to situations where peace officers use deadly force in accomplishing their duties, the law of self-defense is available to any person. A person acts in lawful self-defense or defense of another if she reasonably believed that she or someone else was in imminent danger of suffering bodily injury; believed that the immediate use of force was necessary to defend against that danger; and used no more force than was necessary to defend against that danger.

### **Conclusion**

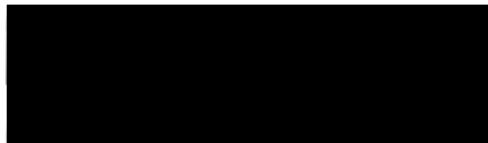

In this case, Mr. Denham assaulted another male with a machete inflicting severe trauma to the victim's head and torso. A witness to the attack called 911 to summon police and medics. Officer Pitts was the first officer to arrive on scene and encounter Denham. Before Pitts could get out of his patrol vehicle, Denham ran towards him swinging a large chain. Pitts managed to exit his vehicle just as

Chief David Nisleit

Denham began to strike the patrol car with the chain. Pitts ordered Denham to stop and drop the chain. When Denham did not comply with his orders, Pitts deployed his Taser, which had no effect on Denham. Pitts drew his duty weapon and again ordered Denham to stop and drop the chain. Throughout the encounter Pitts retreated away from Denham as Denham continued to walk towards Pitts. Pitts retreated one and a half blocks while attempting to get Denham to stop advancing on him and drop the chain.

Based on these circumstances, Pitts fired at Denham in his own defense. He therefore bears no state criminal liability for his actions. A copy of this letter, along with the materials submitted for our review, will be retained in our files.

Sincerely,

SUMMER STEPHAN

CONCLUSIONS

1) 10916361A: Apparent bloodstain on container (10915502)

Number of DNA contributors: 4 (Ratio 89:6:4:2)  
Strong support for inclusion: [REDACTED] (89%)  
Limited support for inclusion: Vaughn Denham (4%)

It is  $6.15 \times 10^{29}$  times more likely to obtain the DNA results if [REDACTED] is a contributor than if he is not a contributor.

It is 878 times more likely to obtain the DNA results if Vaughn Denham is a contributor than if he is not a contributor.

It is  $8.74 \times 10^{32}$  times more likely to obtain the DNA results if [REDACTED] and Vaughn Denham are contributors than if neither are contributors.

**2) 10916361B: Exterior of the container (10915502)**

*Number of DNA contributors:* 4 (Ratio 49:27:19:6)

*Strong support for inclusion:* Vaughn Denham (49%) and [REDACTED] (27%)

It is  $4.42 \times 10^8$  times more likely to obtain the DNA results if Vaughn Denham is a contributor than if he is not a contributor.

It is  $6.54 \times 10^{17}$  times more likely to obtain the DNA results if [REDACTED] is a contributor than if he is not a contributor.

It is  $2.11 \times 10^{35}$  times more likely to obtain the DNA results if Vaughn Denham and [REDACTED] are contributors than if neither are contributors.

**3) 10916363A: Apparent bloodstain on right side of machete blade (10915520)**

*Number of DNA contributors:* 1

*Strong support for inclusion:* [REDACTED]

*Exclusion:* Vaughn Denham

It is  $3.07 \times 10^{29}$  times more likely to obtain the DNA results if [REDACTED] is a contributor than if he is not a contributor.

**4) 10916363B: Apparent bloodstain on left side of machete blade (10915520)**

*Number of DNA contributors:* 2 (Ratio >99:<1)

*Strong support for inclusion:* [REDACTED] (>99%)

*Inconclusive\*:* Vaughn Denham

It is  $4.17 \times 10^{29}$  times more likely to obtain the DNA results if [REDACTED] is a contributor than if he is not a contributor.

**5) 10916363C: Apparent bloodstain on left side of machete handle (10915520)**

*Number of DNA contributors:* 2 (Ratio 63:37)

*Strong support for inclusion:* [REDACTED] (63%) and Vaughn Denham (37%)

It is  $1.48 \times 10^{29}$  times more likely to obtain the DNA results if [REDACTED] is a contributor than if he is not a contributor.

It is  $1.30 \times 10^{27}$  times more likely to obtain the DNA results if Vaughn Denham is a contributor than if he is not a contributor.

It is  $1.90 \times 10^{57}$  times more likely to obtain the DNA results if [REDACTED] and Vaughn Denham are contributors than if neither are contributors.

**Evidence Processing**

I processed the following items of evidence prior to impound, starting on August 13, 2018. These items were processed using one or more of the following techniques: visual examination, cyanoacrylate ester fuming, magnetic powder, black powder, coomasie blue, heptane ninhydrin and swabbing.

**10915502:** One green plastic, flip-top container with apparent bloodstains on it. The container has trace amounts of a dark liquid and debris (specks) in it.

**Results:**

- 10916360:** This item consists of the following:
- One digital image of visible prints was taken.
  - Two latent print cards containing lifts of developed prints were collected.
- 10916361:** This item consists of the following:
- One swab (A) of an apparent bloodstain. This item was collected from the label of the container, before latent print processing.
  - One swab (B) of possible DNA evidence. This item was collected from the entire exterior surface of the container, after latent print processing.

**10915520:** One silver-colored metal machete with apparent bloodstains, hair and fibers on it. The grip panels are missing.

**Results:**

**10916360:** One latent print card containing a lift of developed print was collected.  
**10916362:** Apparent hair and fibers. This item was collected from the serrated edge of the machete, before latent print processing.

**10916363:** This item consists of the following:

- One swab (A) of an apparent bloodstain. This item was collected from the right side of the blade of the machete, by the blade edge, before latent print processing.
- One swabs (B) of an apparent bloodstain. This item was collected from the left side of the blade of the machete, by the serrated edge, before latent print processing.
- One swab (C) of an apparent bloodstain. This item was collected from the left side of the handle of the machete, before latent print processing.
- One swab (D) of possible DNA evidence. This item was collected from the handle of the machete, avoiding apparent bloodstains, after latent print processing.
- Two swabs (E) [used simultaneously] of possible DNA evidence. This item was collected from the blade of the machete, after latent print processing.

**10915915:** One clear plastic re-sealable bag with apparent bloodstains on it. The bag contains apparent marijuana. One piece of white paper was removed from the bag for processing purposes.

**Results:**

No prints developed on the piece of paper.

**10916364:** This item consists of the following:

- One swab (A) of an apparent bloodstain. This item was collected from the side of the plastic bag, before latent print processing.
- One swab (B) of possible DNA evidence. This item was collected from the exterior surface of the plastic bag, avoiding apparent bloodstains, after latent print processing.

**CRIME SCENE SPECIALIST:** Ally Southerland  
**CRIMINALIST:** Brian Lew

**DATE OF REPORT:** August 28, 2018

**BACKGROUND**

On August 8, 2018, at approximately 1740 hours, Detective Sergeant Michelle Velovich requested my assistance with an Officer-Involved Shooting (O.I.S.)/Special Investigation near 4000 National Avenue. I arrived at the scene at approximately 1805 hours.

The following is a synopsis of the information provided at the scene:

San Diego Police Department (SDPD) Officer Corey Pitts responded to [REDACTED] Boston Avenue where Denham was reported to have assaulted someone with a machete. Officer Pitts exited his vehicle and Denham began swinging a chain at him. Officer Pitts retreated northbound up South 40<sup>th</sup> Street as Denham advanced on him. He ordered Denham to stop, but Denham did not comply. Officer Pitts deployed his taser at Denham, but it was ineffective. He continued to retreat up to the 1000 block of 40<sup>th</sup> Street from Denham, who was still advancing towards him, until Officer Pitts fired his service pistol twice to subdue him.

**SCENE DESCRIPTION**

South 40<sup>th</sup> Street runs north/south and intersects Boston Avenue between the 1000 block and 1100 block. A taser was located in the street on the 1100 block of South 40<sup>th</sup> Street where Officer Pitts stated he deployed his taser at Denham. A chain, two cartridge casings, a bullet, first aid supplies, and apparent blood were located on the 1000 block of South 40<sup>th</sup> Street where Officer Pitts stated he fired his service pistol at Denham.

### OBSERVATIONS

#### *Footage from Officer Pitts' Body-Worn Camera*

The following is from my review of the footage from Officer Pitts' body-worn camera:

Officer Pitts responds to the scene and exits his vehicle. Denham immediately swings a chain onto the hood of his patrol vehicle. While retreating northbound up South 40<sup>th</sup> Street, Officer Pitts draws his taser, and commands Denham to stop and drop the chain. When Denham does not comply, Officer Pitts deploys his taser, but it does not subdue Denham. Officer Pitts continues to retreat northbound up South 40<sup>th</sup> Street, facing southbound towards Denham, as Denham continues to advance on him. Officer Pitts eventually draws his service pistol and fires two times, hitting Denham both times. Approximately one minute and twenty-nine seconds elapse between the time Officer Pitts contacts Denham and the time he discharges his service pistol.

#### *Statement from Officer Pitts*

Officer Pitts stated that he deployed his taser at Denham, who was positioned south of him on the 1100 block of South 40<sup>th</sup> Street, but it was ineffective. He stated that he retreated away from Denham up to the 1000 block of South 40<sup>th</sup> Street where he fired two times in a southerly direction at Denham. Denham was approaching north towards Officer Pitts when Officer Pitts fired at him from a standing position. Officer Pitts did not reload his service pistol after he fired.

#### *SDPD Firearms Criminalist Toniann Rebick's Report*

The following is based on information obtained from Criminalist Rebick's report dated August 22, 2018:

Officer Pitts' Glock, model 17 was received with a cartridge in the chamber and a seated magazine containing [REDACTED]. Two additional magazines were received, one with [REDACTED] cartridges in them. No more than three rounds could have been fired from the pistol.

#### *Denham's Injuries*

The following is based on information obtained from communication with Detective Demas:

Denham had one penetrating gunshot wound to the right abdomen and one penetrating gunshot wound to the right bicep.

### CONCLUSIONS

The following conclusions are based on the statements provided during the briefings, the evidence present at the scene, Officer Pitts' body-worn camera footage, and the firearms report.

- 1) Officer Pitts fired his Glock 17 two times in a southerly direction, striking Denham twice.

The evidence, in general, supports the statement provided by the Officer Pitts.

**EVIDENCE EXAMINED:**

***SDPD Officer Pitts, ID #7564***

One Glock, model 17 Gen 4, semi-automatic pistol chambered in 9mm Luger caliber, serial number: [REDACTED] with a Streamlight flashlight (S/N: 3709610517 -works), and three magazines.

**RESULTS AND CONCLUSIONS:**

The Glock pistol was received with the slide closed, the trigger set, a cartridge in the chamber, a Streamlight flashlight attached below the barrel, a seated magazine, and two extra magazines. The capacity of each of the magazines is [REDACTED] rounds. The seated magazine contained fourteen cartridges, and the extra magazines contained [REDACTED]. All cartridges were consistent with Department issued ammunition. The total capacity of this pistol with one round in the chamber and a full magazine is [REDACTED]. The evidence indicates that if the pistol was "hot loaded," three rounds were fired from this pistol. If a different number of cartridges had been loaded into the seated magazine, then a different number of fired rounds would be indicated. The pistol was test fired and was found to operate normally.

Details of all examinations are on file in the laboratory.

**DISPOSITION OF EVIDENCE:**

The pistol and the magazines were released to the Crime Scene Unit Gun Locker. One Firearms Processing Packet was booked into Property under Barcode #10915845.

MV: And you also had a Taser on you as well, right?

CP: Yes.

MV: And the Taser had one cartridge with barbs?

CP: Yes.

MV: Okay. Any other questions on that? All right, so as I understand it Officer PITTS, you're coming voluntarily to provide a statement about the incident that happened tonight, correct?

CP: Yes.

MV: Okay. So I'm gonna start at the very beginning. So as I understand it, did you receive a radio call? Did you offer to volunteer for this radio call? How did you get it?

CP: I volunteered for the radio call.

MV: Okay. And what was the type of call?

CP: It came out as a 245, male hit in the head with a machete.

MV: And where was it located?

CP: At 4051 Boston Avenue.

MV: 4-0-5-1

CP: 5-1 Yes.

MV: Boston.

CP: Boston Avenue.

MV: Do you remember when the call came out? What time it was?

CP: I do not.

MV: Do you remember how long it took you to get there once you received the call? Or once you volunteered to assist?

CP: About, I would say about two minutes.

MV: Okay. When you arrived on scene was anybody else, other officers on scene?

CP: No.

MV: When you arrived on scene, what did you see?

CP: I observed um, I identified the suspect that was described in the radio call. When I parked he ran up to my vehicle and smacked it. Hit the vehicle with the chain that he had in his hand.

MV: So, he hit your vehicle?

CP: Yes. My patrol vehicle.

MV: And where did he hit. Where did the...what part of your vehicle?

CP: On the hood and windshield.

MV: And you said with a chain. Can you describe this chain?

CP: It was about 4 to 5 feet long. I don't...I can't really tell how thick it was but it was a pretty thick chain.

MV: When your vehicle was hit and your windshield was hit by him swinging the chain, did you see if anything, if any damage happened or?

CP: No. By that time I was already behind the vehicle creating distance between us.

MV: Okay. Now let me just back up just a little bit, just to make sure I cover it. When you said that, when you got on scene you identified or you got on scene. You identified the suspect based on a description that was provided?

CP: Yes.

MV: Was that given to you via the police radio?

CP: Yes.

MV: And what description did they give you?

CP: It was a light skin black male. No shirt and black shorts.

MV: Okay. Okay. And where was the suspect when you encountered him?

CP: He was coming from. He was going west on Boston. On Boston and 40th. So he was coming towards the corner.

MV: How far away is that then from 4051 Boston?

CP: I'm not sure.

MV: Pretty close?

CP: I would say maybe three to forty feet maybe.

MV: All right. And so he hits your vehicle and your windshield and you said that you got out of the car?

CP: Yes. I was already out of the vehicle when I...once I noticed him running towards the vehicle, I stepped out of the vehicle and that's when he came up and hit the vehicle with the chain.

MV: Did he say anything to you?

CP: I don't recall. Not at that moment.

MV: What were you thinking?

CP: I was just thinking I needed to get him to drop the chain so I asked him to drop the chain. He would not. I then took out my Taser.

MV: Um hmm.

CP: And I displayed it and he would not listen to any of my commands so I decided to Tase him,

MV: When he had the chain and you were pointing your Taser at him, did you tell him anything?

CP: I told him to drop the chain.

MV: Okay. And did he comply?

CP: He did not.

MV: What did he do with the chain?

CP: He just kept moving the chain around and coming towards me.

MV: When you say moving the chain around...

CP: He kept swinging.

MV: Okay.

CP: Swinging the chain around in an aggressive manner.

MV: Okay. And did, how did you feel about him swinging the chain around in an aggressive manner? Did you feel...?

CP: Yes. I began to fear for my life and I believed he was going to hit me with the chain.

MV: And so when you said you were creating distance. How did you create distance?

CP: By walking backwards.

MV: Okay. And as you were walking backwards, so you're...looking at the photograph that we have in front of us, can you mark on the photograph where you first countered the suspect with the chain? Okay. So for the purposes of recording, it appears as if Officer PITTS...can you mark it with an "X" for me please?

CP: Yes.

MV: Marked an "X" on south 40th Street on the map just north of Boston Avenue. The intersection of Boston and South 40th Street. Is that right?

CP: Yes.

MV: Okay. And then you said that you created the distance or you pointed your Taser at him and created a distance, you were walking?

CP: I was, my back was facing north.

MV: Um hmm.

CP: My front was facing him south and I began to walk backwards.

MV: Okay.

CP: North, South 40th.

MV: Okay. And at what point did...did you ever fire your Taser?

CP: Yes.

MV: Okay. And at what point on this map did you fire your Taser if you recall?

CP: Uh I, I don't recall.

MV: Okay. You got out of the car. You pointed the Taser at him and gave him commands to drop the chain and you said he did not comply.

CP: Correct.

MV: Do you remember about how long after you got out of the car and you made those commands did you fire the Taser?

CP: After he hit the vehicle I gave him a command to drop the chain. He kept swinging it.

MV: Um hmm.

CP: And that's when I deployed my Taser. And he blocked the Taser with the chain. And it actually got caught inside of the chain.

MV: When you say it got caught, are you referring to the barbs?

CP: Yes. The barbs got caught into the chain.

MV: Okay. So the Taser was deployed. He swung the chain in such a manner that it blocked the barbs from entering into his body?

CP: Correct.

MV: Okay. So was the Taser effective?

CP: No. It was not effective.

MV: Okay. What happened after that portion of the incident?

CP: I immediately dropped my Taser.

MV: Um hmm.

CP: And I took out my handgun and I aimed my gun at him and I told him "Drop the chain."

MV: Okay. So you pulled out your handgun and you pointed it in his direction?

CP: Yes.

MV: Which was a south direction?

CP: Yes.

MV: And you continued walking backward northbound up South 40<sup>th</sup>?

CP: Correct. The entire time.

MV: And what was he doing?

CP: He was coming towards me as I was walking backwards.

MV: Tell me what kind of demeanor he had?

CP: He was, he was upset. I, I believed he was going to hit me with the chain so I kept trying to keep a good amount of distance in between us. So, therefore I wouldn't get hit by the chain as he was swinging it and walking towards me.

MV: Okay. And when you say good amount of distance, what, what do you believe the distance was between the two of you as you were walking backward and he was following you?

CP: I was about seven to ten feet in between him.

MV: Okay. All right. And so when you got up past Newton, as I understand through the walkthrough, the shooting portion actually happened even north of the intersection with Newton and South 40<sup>th</sup> Street?

CP: Correct.

MV: Can you put an "X" on the map please indicating where you feel the, the shots were fired on 40<sup>th</sup> Street? Okay. And for the recording...uh could you like maybe make it a little bit darker for me there? Thank you. For the recording it, Officer PITTS put an "X" pretty much in the middle of the block on South 40<sup>th</sup> Street, in between Newton and National Avenue, indicating that's where he believes the shooting actually occurred. As you're walking backward and he has this chain as you describe him being aggressive and upset and swinging the chain, and you felt that he was going to hit you with it, were you constantly giving him commands?

CP: Yes I was.

MV: And what kind of commands were you giving him?

CP: I was giving him commands to drop the chain.

MV: Uh huh.

CP: And he never complied.

MV: Okay. Did he ever drop the chain?

CP: He never dropped the chain.

MV: Okay. And then at, at the point where you said the shots were fired here, what happened to make you fire your weapon?

CP: As I was walking backwards and still giving him commands, I noticed I began to walk past streets and head towards National Avenue which there's, I couldn't...there was no way I could see what's behind me and those cars coming. I didn't want to walk into traffic and he got closer to me and more individuals kept coming upside, so I figured that he was going to go ahead and strike me with the chain so I decided to fire.

MV: Okay. When...at that point where you felt that he was going to strike you with the chain, had his demeanor changed from your first contact

CP: He began before I decided to fire at him. He began to swing the chain more aggressive. He actually switched hands. And then switched back to the other one and getting ready to swing it again.

MV: Okay.

CP: And that's when I decided to fire.

MV: And by switching hands and swinging it, what did you feel he was gonna do?

CP: That he was going to strike me with a chain.

MV: And could you see based on your distance you said you're somewhere between five and seven feet from him?

CP: But it's seven to ten feet.

MV: Seven to ten feet, excuse me. Could you see how thick or how wide or how heavy that chain was? Was it something that you feel would have hurt you?

CP: Yes. I felt that if I would have got hit with that chain, it probably would have knocked me down to the ground, or probably disabled me from having my weapon. And that would have...he, with his demeanor I felt like he would have probably shot me with my own weapon if he would have had a chance to.

MV: Okay. So at the point where you decide to fire your weapon, how many rounds did you fire?

CP: Two.

MV: And did both of those rounds hit the, the suspect?

CP: Yes.

MV: Okay. And what happened after you fired the weapon? Your weapon?

CP: When I fired my weapon he went down to the ground and that's when the next officers arrived on scene.

MV: Okay. When you went down to the ground, after you fired your weapon, at that point was the threat eliminated?

CP: No, not yet because he tried to get off the ground after that.

MV: Okay. And what happened when he tried to get off the ground?

CP: Other officers took him down and attempted to take him into custody.

MV: Okay.

CP: By placing him into handcuffs.

MV: And they attempted. Did they succeed?

CP: Yes.

MV: Okay. And when, after you fired your round. Well let's say before you fired your round, did you give him more commands to stop?

CP: Yes.

MV: Okay. Do you know roughly in this whole time frame how many times you told him to stop and drop the chain?

CP: I would say at least ten to fifteen times.

MV: Okay. And I mean, did he, did he acknowledge at any time to say, "No. I'm not dropping it." Or did he, do you know what he said to in response to you giving him commands?

CP: He was mumbling certain words. I don't recall every word.

MV: Um hmm.

CP: He was mumbling. But I don't recall everything he was saying.

MV: Now I know, Officer PITTS, we talked about how long you've been on. And you've been on just a little bit over two years. Is that right?

CP: Yes.

MV: Okay. Have you had an opportunity to have training experience in people under the influence of narcotics or controlled substances?

CP: Yes.

MV: Okay. Based on your training and experience, and I know you've had some training in the police academy also, how would you describe the subject? Did you feel at all that he was under the influence of a controlled substance or, or not?

CP: I believe he was.

MV: And what kind of symptomologies made you feel that way?

CP: Because he, I don't believe he knew he was dealing with the police officer, even though I was in full uniform. And I was talking to him. He even mentioned something about Hebrews. He was just mumbling a lot of stuff. He would not listen to any of my commands.

MV: Okay.

CP: He just...

MV: All right. So you're saying his behavior was erratic?

CP: Yes.

MV: And did you notice anything else about his physical behavior...his physical symptomologies? Could you notice anything about what else was going on with him physically?

CP: No. I was just focusing....

MV: Okay.

CP: on him not hitting me with a chain.

MV: Okay. All right. And Officer PITTS you're aware that your body worn camera video would need to be activated in these types of incidents. Was your body worn camera activated during this?

CP: Yes.

MV: Okay.

MD: Did you have a chance to review the body worn camera for this before this interview?

CP: Yes I did.

MD: A couple of questions for you. Which direction did you approach from?

CP: I approached from the north.

MD: Okay. So your vehicle would have been pointing south?

CP: Correct.

MD: On South 40<sup>th</sup>, towards Boston?

CP: Correct.

MD: Okay. How far away was the suspect from you when you first noticed him?

CP: Maybe fifty feet I would say, possibly.

MD: Did he allow you any opportunity to engage him before he, as you described, ran towards your car?

CP: No. He, when he saw me he immediately ran towards me.

MD: Okay. And you were driving a marked police car?

CP: Yes.

MD: And you're in full uniform that you're wearing now? Long sleeved, patches, badge?

CP: Yes.

MD: Okay. So to a normal person using rational thought would easily recognize you to be a police officer?

CP: Correct.

MD: You said you didn't know that he recognized you to be a police officer and made comments about Hebrews?

CP: Correct.

MD: Okay. Did that lead you to any conclusion about how he would have reacted towards any other citizen he may have come in contact with?

CP: Correct. Oh, being that the call, I volunteered for the radio call because he was described as the suspect who had just hit someone in the head with a machete.

MD: So not only was he a danger to the person he hit, a danger to you. Do you think he would have been potentially a danger to anyone else he came in contact with?

CP: Yes.

MD: Okay. After he hit your car you said, or as he approached and hit your car, you started backing up?

CP: Yes.

MD: Do you know about how far you backed up before you made the decision to fire your Taser?

CP: No I not.

MD: Approximately?

CP: Maybe I originally got about ten feet.

MD: Okay. After you fired your Taser, do you know how far you backed up before you finally made the decision to fire your handgun?

CP: I backed up maybe fifty, sixty yards, maybe.

MD: Okay. Do you know what was behind you as you were backing up?

CP: No I do not.

MD: Okay. Did that pose a threat to you at that point?

CP: Yes it did.

MD: All right. And you're familiar with your training from the Academy and the laws of arrest and things like that. That you're not required to retreat from a threat?

CP: Correct.

MD: Why did you decide to do that in this case?

CP: I was trying to give him ample amount of time to cooperate with me. To comply with my commands.

MD: And did he ever seem to acknowledge the commands you were giving him?

CP: No.

MD: Or acknowledge your authorities as a police officer in complying with your commands?

CP: No. He did not.

MD: Do you know how many rounds you fired?

CP: Yes.

MD: How many rounds did you fire?

CP: Two.

MD: Okay. Why did you stop firing?

CP: Because from my own training and experience that when you fire two shots it shocks the body and it will make them stop.

MD: Did those rounds seem to have an effect on him?

CP: He stopped in his place and fell to the ground. Yes.

MD: Okay. So at that point you didn't feel that you needed to fire anymore?

CP: Correct.

MD: Okay. After the suspect was shot, did you render first aid to him?

CP: I did not.

MD: Did anyone else render first aid to him?

CP: Yes.

MD: Okay. Do you know who that was?

CP: I believe it was Officer Iwatsuru.

MD: Okay. And medics were eventually called and he was transported?

CP: Yes.

MD: That's all I got.

MV: Counselor?

BK: Yeah. You don't...were your overhead lights on, on the cop car when you...?

CP: Yes.

BK: Okay. So in addition to being in a black and white, with red lights and blue lights were flashing?

CP: Yes.

BK: Okay. And in addition to telling him to drop the chain, did you give him any other commands?

CP: To get on the ground.

BK: Did you tell him what the consequence would be if he didn't?

CP: Yes. I told him I would, I told him I would shoot him if you don't drop the chain.

BK: Okay. So in addition to dropping the chain, you told him to get on the ground, and you told him that you'd shoot him if he didn't?

CP: Yes.

BK: Okay. And he didn't comply?

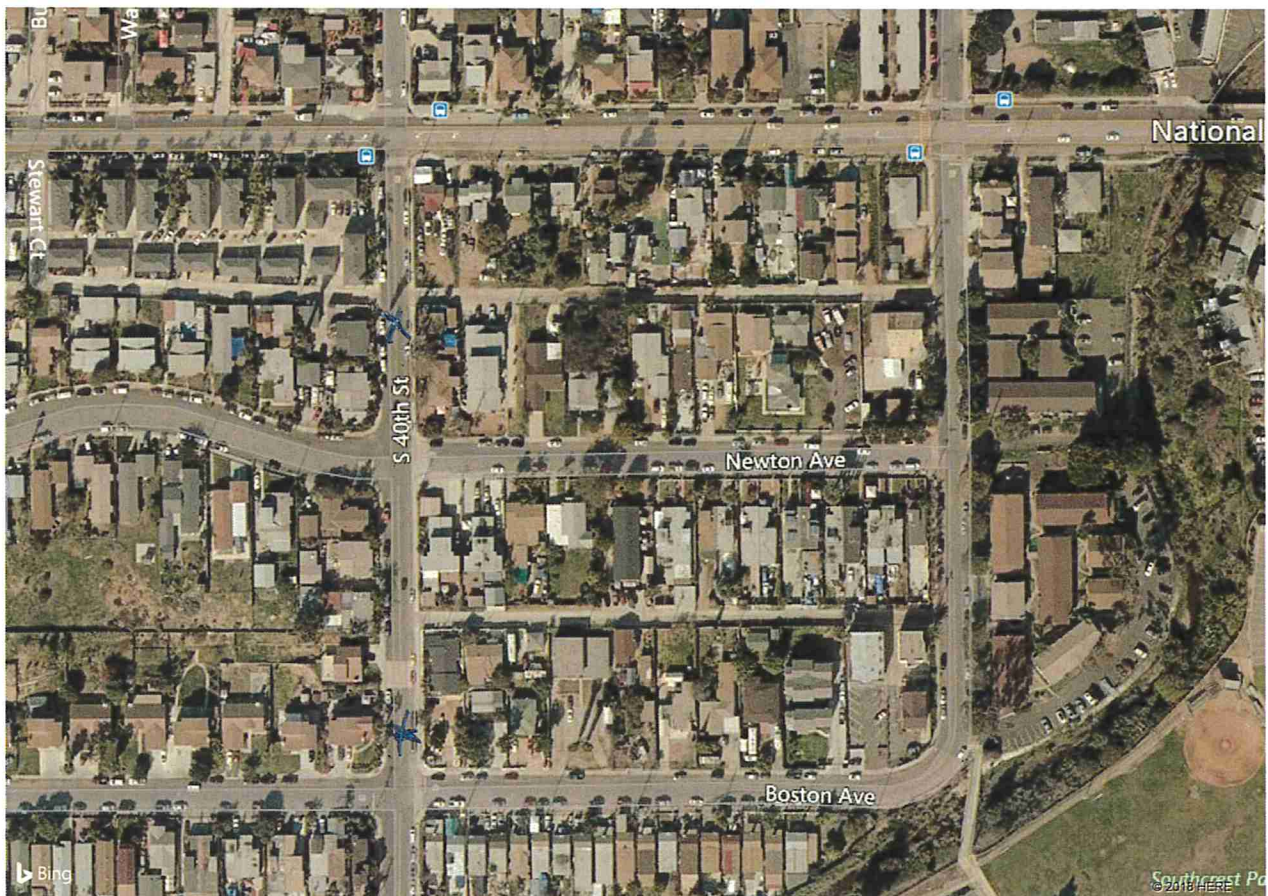

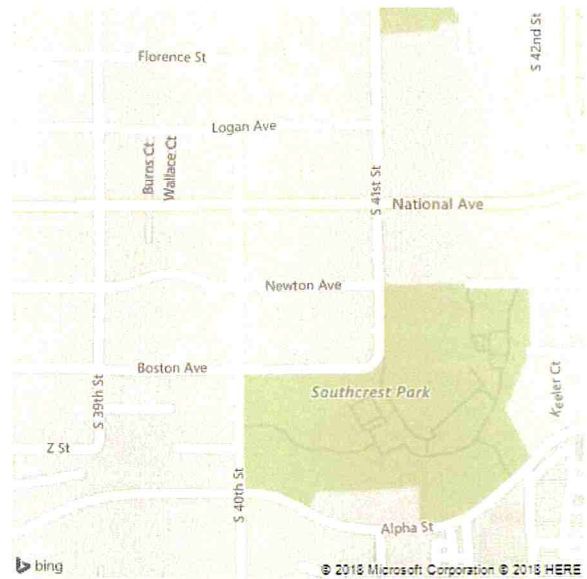

CP: Correct.

BK: That's all I got.

MV: All right. That concludes the interview. It is 2345 (hours).

**OFFICER COREY PITTS WALK-THRU:**

On August 8, 2018, at about 1720 hours, Officer Corey Pitts was involved in an officer involved shooting in the 1100 block of S. 40<sup>th</sup> Street. Officer Corey Pitts fired two rounds at the suspect, later identified as Vaughn Denham.

At about 2127 hours, the officer walk- thru began. The walk-thru began in the 1000 block of S. 40<sup>th</sup> Street and ended on the west sidewalk of 1100 S. 40<sup>th</sup> Street. Personnel present during the walk-thru were: CSS Alley Southerland, ID 8841, Detective Izzy Delgadillo, ID 5596, Criminalist Brian Lew, ID 8228, Captain Thomas Underwood, ID 5001, Officer Roy Medina (peer support), ID 6545, POA Attorney Bob Krause, Sgt. G. Decesari, ID 6026, Homicide Lt. M. Dobbs, ID 5228, and me.

I informed Officer Pitts the purpose of the walk-thru was to account for all evidence in the case and to ensure there were no other injuries as a result of the shooting. I formed Officer Pitts the statement was going to be recorded and the questions will not go into detail as to why he fired his weapon.

**V- Sergeant Michelle Velovich, ID 5353**  
**O- Officer Corey Pitts, ID 7564**

While standing on the east sidewalk at 1000 S. 40<sup>th</sup> Street, I began the officer walk-thru.

V- Officer Pitts, I know the actual shooting scene happened up the hill (referring to the 1100 block of S. 40<sup>th</sup> Street), but can you tell me if what evidence here (in the 1000 block of S. 40<sup>th</sup> Street) relates to the OIS scene?

O- My taser is lying in the middle of the street.

V- Was the taser deployed?

O-Yes, it was.

V-Was the taser fired?

O- Yes.

V-Which direction?

O-My taser was fired south as I was north on the hill.

V- Were you facing north?

O-I was facing south.

V-When you fired the taser, where was the suspect?

O- About 7-10 feet in front of me.

V-Was the suspect south of you then?

O-Yes

V- Are you pointing in a southwesterly direction from here?

O- I was pointing directly south.

V-Did you reload the taser?

O-No, I did not.

V-Taser effective or non-effective?

O-Non-effective

**At this point, we walked up the hill to the 1100 block of S. 40<sup>th</sup> Street to conduct the officer walk-thru at the shooting scene.**

V- Where were you positioned when you fired the rounds?

O- I was in the middle of the street. Maybe behind this vehicle in the middle.

V- Ally Southerland is our CSS. She is going to be placing a placard in the street where you indicate you were standing when you fired the rounds.

O- Maybe I was a little closer than that.

**At this point, CSS Southerland placed a placard with the letter "O" for officer in the middle of the street.**

V-Which direction were you facing?

O- I was facing south.

V-What kind of stance were you in when you fired?

O-I was in a shooting stance.

V- Are you left handed or right handed?

O-I am right handed.

V- Two arm shooting stance?

O- Yes.

V- Do you remember how many rounds you fired?

O-Yes. Two.

V-Where was the suspect or threat when you fired?

O-He was in front of me. Maybe 10', maybe a little more? He was directly in front of me. Exactly where the blood is.

**At this time, CSS Southerland placed a placard, marked with a letter "S", where Officer Pitts indicated the suspect was standing at the time of the shooting. The "S" placard was located directly south of the "O" placard.**

V- What direction did you fire?

O- I fired West.

V- What position was the suspect in when you fired?

O- He was facing me, so he was facing north.

V- Was he crouched, standing...?

O- He was standing.

V- Was there any movement by you or the suspect when you fired?

O- Yes, he was approaching me northbound.

V- Were you moving when you fired?

O- I stopped. I had been moving backward (northbound) the entire time.

V- So moving northbound, but facing southbound, right?

O- Yes.

V- Did you reload at all during the shooting?

O- No.

V- After the shooting?

O- No.

I concluded the officer walk-thru at about 2137 hours.

**SUBJECT INTERVIEWED:**

**VICTIM INTERVIEW:**

On August 08, 2018, at 1730 hours, I received a phone call from Detective Sergeant M. VELOVICH to respond to 4000 National Avenue, San Diego, regarding an Officer Involved Shooting. I arrived at approximately 1825 hours and met with other members of Homicide Team IV, which consisted of Sergeant VELOVICH, Detective T. DEMAS #6479, Detective I. DELGADILLO #5596, C. MURRAY#6120 (relief), and M. SHERBONDY #6516 (relief).

At 1917 hours, Sergeant A. ALEXANDER #4638 and Sergeant F. WHITE #4435 conducted the briefing. After the briefing, Homicide Team IV took over the investigation.

At 2310 hours, Detective MURRAY and I arrived at UCSD Medical Center (200 W. Arbor Street) to speak with victim, [REDACTED]. Upon arrival, I spoke with hospital staff and learned Dr. COSTANTINI was the Attending Physician for [REDACTED].

I located Officer R. HAMILTON #7339 at ICU bed #527A, as he was standing watch over [REDACTED]. I received a short briefing from Officer HAMILTON regarding statements [REDACTED] had made (See Officer HAMILTON'S report for details).

After speaking to Officer HAMILTON, I entered the room and introduced myself to [REDACTED]. [REDACTED] was awake and overall coherent. [REDACTED] understood who I was and my reason for speaking to him. My interview with [REDACTED] was audio recorded and later downloaded onto a CDR and impounded at police headquarters under barcode #10941466. [REDACTED] essentially stated the following in response to my questions:

*(The following paraphrased statement is not to be considered a substitute for listening to the CDR containing the entire audio recorded interview)*

Statement of [REDACTED]

*I went to visit my brother's cousin, [REDACTED]. [REDACTED] had barbequed. I had to go to a safe house. After leaving the other night from a friend's house in La Jolla, I went to the house on Boston Avenue. I made it for dinner around 9:30 yesterday. I was only there for about 12 hours. I played chess with [REDACTED] down the street. I came back and was taking a nap. The next thing I know, [REDACTED] was screaming. I jumped up and I could hear thuds. He (Vaughn) had big chain. He was breaking windows in the back of the house. I told [REDACTED] should have told me he was like that, because I would have just met [REDACTED] at a restaurant and then [REDACTED] could have just come back home.*

*I tried talking to him, but he didn't want to talk to me. I told him he needed to be respectful to [REDACTED] because it is her house. He was telling me that I couldn't talk to him. That is when he kicked the fence out and knocked it down. There were little kids walking in the alley when that happened. I told him he needed to go. He told me he wasn't going anywhere. We argued about it for a while. That's when he was swinging the chain at me. I dodged the chain. He told me he was gonna get me. I told him if he was going to try and hurt me I was going to defend myself. The kids called me out to the front of the house.*

*I wasn't even paying attention and I turned my head and I saw him coming toward my direction. They were trying to get him to stop. People were telling him to not mess with me. He didn't believe them. I told him too. He came to me swinging the machete. I told the kids to leave. I was sitting down. I told him, "I know you aint trying to come up on me." That's when he hit me and I started to see the blood. For ten to fifteen minutes. I kept telling him to drop it, but he wouldn't drop it. My head was covered in blood. I went across the street and people were calling the police and paramedics. I got dizzy and I sat down in their yard. He went and put the machete up and then came out with the chain. He said, "I'm gonna kill you man." [REDACTED] came running, [REDACTED] to talk to him and tell him to go home and drop the chain. He refused, so he kept walking.*

*[REDACTED] and [REDACTED] both saw me get hit by Vaughn. They were not strong enough to hold him down though. I got hit on my chest and knee by the chain. The kids were crying and stuff because I was lying in the street. That's when I heard the cop cars drive by and go up 41<sup>st</sup> to National. That is when I heard pop pop pop. [REDACTED] lives on that street.*

*I don't know what he was on but he had to be on psych drugs or heavy drugs. I was drinking [REDACTED] earlier today. I don't do PCP. I don't know if he does that, but I heard someone say he was on it. I think it was one of the neighbors.*

*When I was sleeping I was in what used to be [REDACTED] mom's room.*

Investigator's Report

Witness: [REDACTED]

Case: 18-025270

Page 3

*He grabbed the machete when I was in the front yard. I think he got it from outside somewhere, probably where all the tools are. I was telling him multiple times to drop the chain and machete. He would tell me to "shut the fuck up" and "I'm going to kill you."*

*Vaughn stopped hitting me with the machete because I stepped over to the plastic pools and I grabbed a metal stool. The police sirens could be heard and he went into house and grabbed the chain. I don't know what he did with the machete. He just kept saying he was going to kill me. No one else got hit by the chain or machete.*

**At this point in the investigation I asked [REDACTED] if he would be willing to sign a consent to release his medical records and he agreed and signed the form. I retained the form for our records.**

**[REDACTED] also signed a consent form to provide me with a mouth swab of his DNA. Detective MURRAY obtained [REDACTED] mouth swab at 0002 hours.**

I learned that [REDACTED] obtained 14 stitches on top of his head and 7 stitches on his left forearm.

I provided [REDACTED] with my business card. I concluded my interview with [REDACTED]

On August 8, 2018 at about 1730 hours, I received a phone call from Detective Sergeant M. Velovich #5353 to respond to 4000 National Avenue to investigate a report of an officer involved shooting. I arrived on scene at about 1815 hours and met with other members of Homicide Team IV which consisted of Detectives B. Sanchez #6610, Travis Demas #6479, Chris Murray #6120 (relief), Maria Delgadillo #5596, and me.

I was assigned to interview witness [REDACTED]. This interview occurred at [REDACTED]. I recorded the interview. This was essentially what [REDACTED] told me:

**Interview of [REDACTED] (witness):**

I was coming back from work. I had just gotten off the bus. I had headphones on. I heard the siren. I was walking south on 40<sup>th</sup> Street to Boston from Newton. I saw the police car stop a little south of mid-block. The police car was heading south on 40<sup>th</sup> Street. I was on the east sidewalk. I was at about the same point as where the police car stopped.

I saw a black male run west on Boston and run at the police car. He was in the middle of the street. There was a female running behind the male. She was yelling at him to stop. He had something in his hand. I think in his left hand. I think it was a chain, but I'm not sure now since I heard he had a machete.

The officer got out of the car. The officer got out of the vehicle and pulled his stun gun. The officer yelled, "Stop." The guy did not listen. The guy rushed the officer. The officer stepped back a little. The guy swung at the vehicle and hit it twice with whatever he had in his hand.

The officer tazed him. I guess it didn't work. The guy didn't drop. I think the officer dropped the tazer once he realized there was no effect. He pulled his gun out. He kept yelling at the guy to stop. The officer was walking backwards. The guy was walking towards the officer. He was not stopping. I didn't see what happened. I heard the two gunshots.

I didn't follow them. I stopped at the southeast corner of 40<sup>th</sup> and Boston Avenue and watched from there. I couldn't see what the guy was doing with his hands since he was walking away from me. I didn't go up the street. I stayed here. I didn't see the black female come back down the street. I don't remember the suspect saying anything.

I was watching TV in the living room. I was sitting on the couch. I heard screaming. I stood up and looked out the window. I opened the window. The officer was telling him to back off. The guy didn't listen. The officer shot him twice. The officer was walking backwards. The suspect was walking towards the officer.

I first saw the officer on the left side (south side) of the truck (Ford F150) that is parked in front of my house. The officer was pointing his gun at the suspect while telling him to stop. The suspect had something in his hand. I don't know what it was. They were walking north. The suspect had a chain. He was swinging it. That's when he got shot. I thought the suspect was trying to hit the officer. That's when the officer shot two times.

I came outside after the gunshots. The suspect was on the ground and full of blood. The ambulance came. I came out of my gate and walked north up the sidewalk (east sidewalk of 40<sup>th</sup> Street). The suspect was not moving. The other officers were checking on him. The wife was screaming.

The suspect had the chain around his neck. He grabbed it and was swinging it. I am not sure what the suspect was trying to do, but he was swinging the chain when the officer shot him.

**Interview of [REDACTED] (witness):**

I was in my house watching Youtube. I heard a police siren go by. I heard someone saying, "Stop, put your hands up." My house is on the south side of [REDACTED] and

[REDACTED]). I came outside. I was walking towards my gate. I heard a gunshot. I stopped and ducked. I couldn't see anything at this point.

I came out to the intersection of 40<sup>th</sup> and Newton. I started filming with my cell phone as I entered the intersection. I walked over to the northwest corner of 40<sup>th</sup> and Newton. There was a black female over there. I am guessing it was the girlfriend of the guy that got shot. She was saying it was her boyfriend. She was saying, "Call the ambulance." That was after the shooting. I only heard one gunshot.

*At this point during the interview, Detective Brian Sanchez obtained [REDACTED] consent to download [REDACTED] cell phone. [REDACTED] gave written consent for this download. After Det. Sanchez was done, I resumed the interview with [REDACTED].*

I couldn't see the officer or suspect from where I was standing. I couldn't see them until I got closer. That is when I saw him on the ground. I didn't see the officer or the suspect until I walked north on 40<sup>th</sup> from Newton. The police car was obstructing my view. When I walked north on 40<sup>th</sup>, the suspect was on the ground. The officer was next to him. The suspect was moving on the ground. They were trying to get him to calm down. They were telling him not to move. He started to close his eyes. They told him to wake up.

There were two or three officers with the suspect at that point. They were telling the suspect to relax, calm down, and don't move. I stayed there. The medics came maybe 10 minutes later. The officers were trying to stop the blood during that time. I was still recording all that.

The girlfriend was still with me. There was another girl with her. They were screaming. The girlfriend was hysterical. She tried to walk towards the officers. I told her to calm down and come back. I continued recording. She is on my video too. I didn't see the suspect holding the chain, but I saw the chain on the ground. I got that on video.

The girlfriend said the suspect was on PCP. She's on my video saying that.

**INVESTIGATIVE FOLLOW-UP:**

**R.E. Consent and recovery of cell phone footage**

On August 08, 2018, at 1730 hours, I received a phone call from Detective Sergeant M. VELOVICH to respond to 4000 National Avenue, San Diego, regarding an Officer Involved Shooting. I arrived at approximately 1825 hours and met with other members of Homicide Team IV, which consisted of Sergeant VELOVICH, Detective T. DEMAS #6479, Detective I. DELGADILLO #5596, C. MURRAY #6120 (relief), and M. SHERBONDY #6516 (relief).

At 1917 hours, Sergeant A. ALEXANDER #4638 and Sergeant F. WHITE #4435 conducted the briefing. After the briefing, Homicide Team IV took over the investigation.

After the briefing I spoke with two witnesses who were reported to have obtained video footage of the officer involved shooting on their personal cell phones. The two witnesses were identified as [REDACTED] and [REDACTED].

I located [REDACTED] as [REDACTED] was standing on the north east curb line of 40<sup>th</sup> Street/Newton Avenue. My conversation with [REDACTED] was audio recorded and in the presence of Detective SHERBONDY and C. MURRAY. I explained to [REDACTED] I wished to obtain the footage from [REDACTED] cell phone which captured the shooting. [REDACTED] agreed to cooperate and [REDACTED] provided me with consent to download the video media files on [REDACTED] phone. After providing me with consent [REDACTED] was interviewed by Detective SHERBONDY (See Detective SHERBONDY'S report for details).

I provided Criminalist B. LEW #8228 with [REDACTED] cell phone. He completed an extraction of her video files and downloaded the content onto a thumb drive, which was later transferred to a CDR and impounded at police headquarters under barcode #10915932.

After speaking to [REDACTED], Detective MURRAY and I met with [REDACTED]. [REDACTED] was at [REDACTED] residence located at [REDACTED]. I introduced myself to [REDACTED] and explained to her that I would like to obtain her permission to download the video footage she had captured on her cell phone regarding the shooting. [REDACTED] was very cooperative and sent the footage on her phone to me via text message. I later transferred this footage to a CDR and impounded it at police headquarters under barcode #10918276.

While with [REDACTED], I re-interviewed her and obtained a more detailed statement from her (See statement for [REDACTED] for further details).

I viewed the footage recovered from [REDACTED] and [REDACTED]. The footage captured the incident unfolding, but did not capture or provide footage of the actual officer involved shooting occurring.

**WITNESS INTERVIEW:**

**MV:** Michelle VELOVICH, Sergeant – SDPD Homicide Unit  
**JI:** Jeffrey IWATSURU, Officer – SDPD Southeastern Patrol  
**RK:** Robert KRAUSE, POA Attorney

MV: Okay. Today's date is August 9, 2018, and it is 1700 hours. I am Michelle VELOVICH, ID #5353 and a Sergeant on Homicide Team 4. In the room with me is Attorney?

RK: Robert KRAUSE, K-A-U-S-E, Bobbitt, Pinkard & Fields.

MV: And Officer?

JI: Officer Jeffrey IWATSURU, last name I-W-A-T-S-U-R-U.

MV: And your ID sir?

JI: 7129.

MV: How long have you been on?

JI: Approximately four years.

MV: Prior to the recording I advised you that this is a witness statement. You are a witness officer in an incident that Homicide Team 4 is investigating involving an officer involved shooting in the 1100 block of South 40<sup>th</sup> Street that occurred yesterday, August 8<sup>th</sup>, around 1717 hours okay? And so before we had uh the recording began, you were given the opportunity to watch your body worn camera video, and you had an opportunity to meet with your attorney and talk about what you want to present to us today as far as your witness testimony okay? So let me start with the very beginning. And so this all started with a radio call?

Jl: Correct.

MV: Correct? And what was the nature of the radio call?

Jl: It was an assault with a deadly weapon. Specific weapon was a machete.

MV: Okay.

Jl: Per the reporting party.

MV: All right. And the fact that it was a machete was the weapon that was aired on the radio correct?

Jl: Correct.

MV: Okay. Was there any other information provided that you call about the radio call, like details, suspect description or anything like that?

Jl: We were provided a suspect description. It was a black male. I don't recall what age but wearing no shirt, black shorts. Armed up with a machete at the time. The victim had been cut in the face and it was located at the 4000 block of Austin.

MV: Okay.

Jl: I don't recall the exact address.

MV: Okay.

Jl: And were you working with a partner?

MV: And who was your partner?

Jl: Officer Emery LANGLEY.

MV: And were you the driving officer or the passenger officer?

Jl: I was the driving officer.

MV: Okay. Do you remember your equipment number?

Jl: 7007 was the vehicle number.

MV: Okay. And you were working 2<sup>nd</sup> Watch hours?

Jl: Correct.

MV: And began at 1400?

Jl: Correct.

MV: Okay. And the radio call was somewhere around 1700 or do you remember the exact time?

Jl: I don't remember the exact time, but it would have been right, after 1700.

MV: Okay. Do you remember how long it took you to get to the 4000 block of Boston?

Jl: Not a specific time.

MV: Okay.

JJ: Within minutes though.

MV: Within minutes, okay. And when you heard this radio call come out over the air, were there any other units en route?

JJ: There was one, I believe one other unit.

MV: Okay. And do you recall who it was?

JJ: I believe it was Officer PITTS. His designator was 446Y.

MV: Okay. And 446Y indicates he's a single officer unit, correct?

JJ: Correct.

MV: Okay. And so while you were en route, did you hear if Officer PITTS went 97 or on scene before you?

JJ: Yes I did.

MV: Okay. And then when he was on scene, did he air that he was on scene?

JJ: Yes.

MV: Okay. After airing that he was on scene, did he air anything else that you thought was concerning?

JJ: He was with the suspect and that he was coming at him with a...I had heard cane. And slightly after there, or a moment after that he said "Taser deployed" over the radio.

MV: Okay. And what, what kind of concern did you have when he said Taser...if any, did you have when he said, "Taser deployed"?

JJ: I was concerned one, his location. If he was around uh, one the associates to a suspect. Because we didn't know if there was more.

MV: Um hmm.

JJ: If he was in danger of, you know, with anybody in the neighborhood. Two, when deploying a Taser, it's usually a two person or more than two officer type weapon. And you engage the Taser and someone usually ends up trying to handcuff or restrain the, the individual that was Tased. So he needed more officers there. I did not know if he had any officers with him or in close proximity. So I needed to get there in an urgent manner.

MV: Okay. And so because you thought that, because of these factors, did you roll Code 3?

JJ: I did roll Code 3.

MV: Okay. And lights and siren?

JJ: Lights and siren.

MV: Okay. And did you hear...how well do you know Officer PITTS?

JI: We've worked together, I think, for a couple of shifts. He was on the same squad for I think a shift. And then he's been on the 40 service area squad for a little bit.

MV: Okay.

JI: But not worked closely all the time.

MV: Okay.

JI: If that answers your question.

MV: Did he, did anything sound concerning about the way he aired that he was, the suspect was coming after him with a cane and Taser deployed?

JI: His, his voice was a little bit louder.

MV: Um hmm.

JI: Than usual. Than a typical contact with, you know, an individual on the street. And besides the, the Taser deployed he was talking a little bit quicker. And you didn't hear his location, so we really didn't know where he was at.

MV: Okay.

JI: In relation to the scene.

MV: All right.

JI: The original scene.

MV: Was that concerning for you?

JI: That was concerning.

MV: Okay. So when you arrived on scene where did you approach?

JI: We approached....since the original scene was 4000 Boston, we approached from 40...south 41<sup>st</sup> and Boston. So we were coming from the east.

MV: Okay.

JI: If that answers your question.

MV: Yep. And when you got to the area of south 41<sup>st</sup> and Boston, what did you see?

JI: As we turned onto Boston, we saw several pedestrians or what I would assume were residents out on the streets, both curblines, north and south. As we started driving along the street, we started looking for the target address, but we also started looking for Officer PITTS.

MV: Um hmm.

JI: And his vehicle. I did not see any of that.

MV: Um hmm.

JI: So again the concern of where he was at was important.

MV: Okay. And while you're at, or while you're in the 4000 block of Boston, south 41<sup>st</sup> Street, did you hear Officer PITTS advise anything else over there, in that, in the meantime?

Jl: Not at the time. Officer LANGLEY asked where Officer PITTS was at to update his location.

MV: Um hmm. And did he?

Jl: He did.

MV: And what did he say?

Jl: I don't recall the actual block number but he said he was on south 40<sup>th</sup>. And so we started, I drove the, our patrol vehicle to south 40<sup>th</sup>.

MV: Okay. Which is about a block west, right?

Jl: Yeah. A block west.

MV: Okay. All right. And when you got to the location of south 40<sup>th</sup> and Boston what did you see?

Jl: We, or I noticed that people were looking northbound on south 40<sup>th</sup>.

MV: Uh huh.

Jl: So they, and cause I didn't see his vehicle at that location. So I looked northbound on south 40<sup>th</sup> and I saw his vehicle about a block and a half, two blocks north in the vicinity of Newton and south 40<sup>th</sup>. And I saw Officer PITTS in the street with a male which matched the description of the suspect.

MV: Okay. Could you see the suspect pretty well?

Jl: Uh it was a two block distance, but I could see that he did match the description. He had kind of long, shiny hair. No shirt. He was thin. I would say he'd be about 5'10", 5'11". Black shorts. And then he had um, he had something. I don't recall which hand, but he had something in his hand and he was whipping it around.

MV: Do you know what that was?

Jl: As we drove closer, I noticed it was a chain.

MV: Okay. What was the subject, suspect doing when you saw him? And you said from a two block radius and then you got closer.

Jl: Yeah.

MV: What was he doing?

Jl: As we were driving closer, I noticed that he was...he was extremely agitated. He was walking at a fast pace northbound. And I could see Corey PITTS on the other side of him.

MV: Um hmm.

Jl: Uh the suspect had that chain in his hand and he was actually whipping it around, or like whipping it towards the ground.

MV: And where was Officer PITTS in relation to the suspect?  
JI: Um Officer PITTS was just on the other side of the suspect. So it would be us, the suspect and then Corey PITTS.

MV: Okay. So for, for just, for a little bit of logistical um situation here, so Officer PITTS was facing southbound?  
JI: He was facing southbound.

MV: But walking backward northbound on south 40<sup>th</sup>?  
JI: Yes. I can, I can see him that he was back...I could see him and that he was on the other side. And he was walking backwards and the suspect was northbound towards him.

MV: So facing Officer PITTS?  
JI: Facing. Facing him. Yeah.

MV: And did Officer PITTS have any weapons out?  
JI: I noticed that he did have his hands drawn up and I believe he had his weapon out.

MV: His, his handgun?  
JI: His handgun. Yes.

MV: Okay. And you said that the suspect appeared agitated walking fast and whipping that chain?  
JI: Correct.

MV: What kind of behavior, what kind of things was he doing to make you believe that he was agitated?  
JI: Um other than the quick pace, I believed that he was, he was I don't...he was taunting Officer PITTS, but preparing to actually whip it at Officer PITTS if he got any closer to him.

MV: Okay.  
JI: If that makes sense.

MV: Okay.  
JI: Yeah.

MV: Um, so when you say whip it, you mean the chain?  
JI: Yeah. Whip the chain.

MV: Okay. And what did this chain look like?  
JI: It was uh, I believed it to be some type of metal. Um grayish color. And I believe there is something black at the end.

MV: Okay.

Jl: Of, of one of the ends of the chain.

MV: Okay. Is there, did you see how long the chain was at all?

Jl: Yeah. I believe it, probably about three feet if I had to make a rough estimate.

MV: Okay. All right. Did the chain appear to be something that would cause great bodily injury or death if someone were hit by it?

Jl: Yes. Yes. I believe it would.

MV: Okay. And when you said that Officer PITTS was walking backwards. The suspect was walking at a fast pace in front of him, do you know about how far apart they were?

Jl: No.

MV: Okay.

Jl: I, I couldn't tell from where I was at cause we were directly in line. But I know that it was, it was probably in close proximity.

MV: Okay. All right. And so you said that Officer PITTS had his service weapon out. The suspect was walking towards Officer PITTS in a fast pace with this chain in his hand.

Jl: Um hmm.

MV: And he was whipping this chain?

Jl: Yes.

MV: Was it hitting the ground or what was it doing?

Jl: I believe it was hitting the ground.

MV: Okay.

Jl: He was like whipping it downwards towards the ground.

MV: Okay. Did it appear, what kind of behavior was the suspect displaying? Was it assaultive? Was it...?

Jl: I would describe it as assaultive. Yes.

MV: Okay. And with assaultive behavior, there are certain weapons, or certain things that we can use to deescalate that behavior.

Jl: Correct.

MV: And would a Taser be one of those?

Jl: It could be but I knew it was already deployed at that point.

MV: Okay.

Jl: And escalation of force. I feel that if he had his weapon out, it would probably be appropriate, or his pistol out, it would be appropriate.

MV: Okay. And then did you hear if the suspect was saying anything to Officer PITTS?

Ji: No. I couldn't hear. Since we were in our vehicle...

MV: Uh huh.

Ji: I couldn't hear if the suspect was saying anything to Officer PITTS at the time.

MV: Okay. And as you continued northbound on south 40<sup>th</sup>, what else happened? Did you see...if anything?

Ji: As we started approaching, probably getting within maybe fifty to twenty-five feet, I heard a couple of pops coming from the suspect and Corey PITTS' location.

MV: Uh huh.

Ji: And based upon my training and experience, I knew that that was gunfire.

MV: Okay.

Ji: As soon as that occurred, the suspect slumped to the ground. Fell to the ground, stomach downward. Or face down.

MV: Okay. And then so did you believe that Officer PITTS fired his weapon?

Ji: Yes. I did.

MV: Okay. And you said twice?

Ji: Twice.

MV: You heard?

Ji: I heard twice.

MV: Okay. And then when he, when the suspect fell to the ground, what happened after that?

Ji: I got within probably maybe, five, ten feet of the actual suspect. We moved my vehicle to block the street at an angle so it was facing kind of, the nose of the vehicle was northeast. I exited the vehicle. Turned on my BWC. I activated it. Officer LANGLEY exited the vehicle. I came around towards the west curblin on line with Corey PITTS facing the same direction towards the suspect and drew my, my pistol from the holster and pointed it at the suspect and provided him commands to place his hands behind his back.

MV: Um hmm.

Ji: Uh yelling it. He was able to get one hand behind his back. I believe it was left.

MV: Um hmm.

Ji: behind his back but didn't, didn't follow any of the commands after that.

MV: Um hmm. And then what happened? What did the suspect do?

Ji: Once the suspect, it seemed like the suspect wasn't doing anything. I decided I would be the contact officer to handcuff or restrain the suspect. So I started holstering my pistol. Started grabbing gloves. At that point the suspect got up. And then I, I executed like a

front push kick. I used the sole of my boot to push him over. The sole boot hit his, or struck his left hip.

MV: Um hmm.

Jl: I did that because I didn't want the, it was, it was a takedown. I wanted the suspect to remain on the ground. And then, cause one, he was wounded. I don't want a wounded man walking down the street. And two, I still believed he had some of weapon on him at that point. So I didn't want him up and around being a danger to the rest of the officers.

MV: Okay.

Jl: At that point Officer LANGLEY tried to restrain...

MV: Um hmm.

Jl: Our suspect.

MV: Okay. When you said he got up, was he standing up? Was he kneeling? What was he doing?

Jl: He got up at first to all fours. Then he was able to raise himself up onto the legs. He was still kind of stumbling, but hunched over.

MV: Um hmm.

Jl: But up on his feet.

MV: Okay. And then you mentioned there were a couple of reasons why you wanted him down on the ground?

Jl: Yes.

MV: One was because he was wounded?

Jl: Correct.

MV: And number two because there might be a possibility that he would still have a weapon?

Jl: Correct.

MV: Okay.

Jl: In addition to also restraining him to handcuff him. It's a lot easier to handcuff him on the ground than standing up. (Inaudible).

MV: Okay. And then, so with the weapon, obviously the chain was on the ground...

Jl: Um hmm.

MV: after he was shot and he's down on the ground. Did you ever hear anytime while you're responding to the scene or while you were at the scene, that the machete had been found or that someone else had it?

Jl: Not at any point. No.

MV: Okay. So it's a possibility the machete would still be with the suspect?

Jl: Quite possibly, yes.

MV: Okay. Was he wearing clothing that would conceal a weapon?

Jl: Uh yes. Within his shorts, it could be a bladed object. One object. Anything that could be used against us. Yes.

MV: Okay. So there was a concern that he might have a weapon. Was any point do you recall once he was back down on the ground and you pushed him back down on the ground? Was there any point where you recall that he was in a position that he could grab a weapon from his pants?

Jl: Yes. He was bringing his hands back towards the front of his waistband, underneath him.

MV: Uh huh.

Jl: He was facing down. On his side but facing downward. And he was bringing his hands, tucking his hands in front of his waistband.

MV: Okay.

Jl: So then, couldn't identify whether he had anything in his pockets or in his waistband. So that was a concern.

MV: Okay. And so he's down on the ground. His hands are underneath him. What happens then?

Jl: Officer LANGLEY went to the suspect and provided commands. I think he attempted to restrain him. I gloved up cause he was bleeding. I gloved up and then tried grabbing his right hand. He was still tucking in his right hand underneath. I provided distracting blows with my left knee.

MV: Okay.

Jl: A few times. I don't recall a specific number. At which point he did give me his right hand. I was able to bring his right hand behind his back and then handcuff him.

MV: When you say distraction blows, what exactly is a distraction blow and what's the purpose?

Jl: Well taking a suspect like this one into custody. Usually they're using their own strength to resist us. They keep their hands away from us or kick. A distracting blow is used into, in sensitive areas. Not to harm, to injure, but to cause maybe the suspect to lose breath.

MV: Um hmm.

Jl: At that moment and kind of release the strength so that we would be able to take them into custody.

MV: Okay.

Jl: Does that answer your question?

MV: Yes.

JI: Okay.

MV: Where exactly did you deliver these distraction blows on his body?

JI: The lower left side of his torso.

MV: And you said with your right knee, correct?

JI: Left knee.

MV: Left knee, sorry. And you said a few times. More than five? Less than five?

JI: Uh...

MV: If you recall?

JI: I don't know. About five. I, I, I couldn't, I couldn't say.

MV: Okay. All right. Then if you don't remember, then you don't remember.

JI: I don't remember.

MV: Okay. And then you said that after the distraction techniques, he complied?

JI: He did comply.

MV: Okay. And when you said he complied, what did he do in compliance?

JI: At first, before I provided the distracting blows, he was pulling his hand or using his strength to pull his hand towards the front of his torso. After I gave them, he actually released his strength and I was able to bring his hand behind his back and meet with his let hand.

MV: Um hmm.

JI: And that, at which point I was able to handcuff him.

MV: And that was the purpose of the distraction blows?

JI: That was the purpose.

MV: So it was effective?

JI: It was effective.

MV: Okay. And then once he was handcuffed, did you put the handcuffs on him or did....?

JI: I put the handcuffs.

MV: Okay.

JI: Yes.

MV: So once he was handcuffed, was he still not compliant?

JI: Not at that point. I don't recall.

MV: Okay.

JI: He, we, I was able to do what I needed to do. He wasn't fighting me. Kicking or anything like that.

MV: Okay.

JI: I don't remember.

MV: And so after the handcuffs were on, and he was not fighting with you and tensing up, did you provide anymore distraction blows?

JI: No.

MV: Or any other use of force?

JI: I did not. No.

MV: Okay. Was it necessary?

JI: No.

MV: Okay. And why?

JI: Because he was compliant at that point and he was restrained.

MV: Okay. And then what did you all do with him once his handcuffs were on him?

JI: Once his handcuffs were on, it probably took him over trying...basically I was looking for any type of weapons.

MV: Um hmm.

JI: That were on him. Anything sharp. Anything that would be considered any type of weapon. Keys, knives, pens. So I conducted a search. Pulled whatever was out of his pockets. I also intended to provide aid to him and I didn't want anything sharp on him as well. Or anything that would hinder me in the aid being provided.

MV: For as far as searching he was under arrest as far as you were considered?

JI: He was under arrest, yes.

MV: So your search was incident to his arrest?

JI: Correct.

MV: Okay. Did you find any other weapons on him?

JI: No I did not.

MV: Did you find anything else on him that is noteworthy?

JI: Uh not noteworthy to the crime or to the particular incident. No.

MV: Okay. And then you...what kind of first aid did you provide?

JI: After I conducted the search, I went back to the trunk of my car. I have like a combat lifesaver bag which has trauma gear in it. It has scissors, chest seals, gauze, tourniquets. Anything that could be used on gunshot wounds. Brought it back. I knew that he was shot somewhere in the torso cause he was bleeding. Cleaned it up a little bit. I noticed that there was an entry wound on its stomach, at which point I got a chest seal which can be applied anywhere on the torso, and applied it. I then peeled the, the plastic cover off so it didn't seal appropriately, but it, once I figured out it, it, removed it, I put it right back on and it started working as, as intended.

MV: Um hmm.

JI: And then we started looking for additional wounds.

MV: Okay.

JI: We were able to find one on the arm, on the right arm. But at that point firefighters were right on scene. And I let them do what they're trained to do.

MV: Okay. And he was still breathing at this point?

JI: He was still breathing. He was responsive to us. I believe he told us his name. And I don't remember what his name was but he muttered his, a name.

MV: Um hmm.

JI: And then he was breathing and responding to us and usually...it was pretty much under his breath.

MV: Okay. Let me just ask you this. You've been on for four years right?

JI: Correct.

MV: And in the Academy you received training on people who are under the influence of a controlled substance?

JI: Correct.

MV: And have you made arrests for people....

JI: I have.

MV: of people who are under the influence of a controlled substance?

JI: Yes.

MV: So based on your training and experience you know what symptomologies people display when they're under the influence of controlled substances?

JI: Yes.

MV: Was the suspect displaying anything that made you believe that it was possible he was under the influence?

JI: Yes.

MV: What kind of symptomologies did he have that made you believe that?

JI: His agitated state prior to Officer PITTS shooting him.

MV: Um hmm.

JI: You know. Whipping the chain. The, the aggression towards Officer PITTS. It seemed that he wanted to get to Officer PITTS. He didn't care that he had a gun pointed at him. And then his reaction after he was shot. He was able to not, he was not complaint with us. He got up and it appeared that he was trying to get away, almost.

MV: Um hmm.

JI: That is, I see that as not a common reaction with someone that's not under the influence if that makes sense.

MV: Um hmm. And then after he was shot, he was trying to get up and he's tensing up and he's not putting his arms behind his back. What kind of behavior would you characterize that as?

JI: Under the influence. He, he was tensed up. His arms were tensed. It seemed that he was still agitated at the time.

MV: Um hmm. Okay. At that point when you all are trying to take him into custody, was he having assaultive behavior and non-complaint?

JI: Can you say that again.

MV: When, after he was shot he was on the ground and you were trying to take him into custody. Was his behavior similar to or was his behavior non-complaint and assaultive?

JI: I would agree. Yes.

MV: Okay. All right. Based on him tensing up?

JI: Yeah.

MV: And not complying with your commands?

JI: Correct.

MV: Okay. Was Officer LANGLEY also giving commands?

JI: He was giving commands.

MV: And was Officer PITTS giving commands that you recall?

JI: Um I believe he...and I don't know if, what type of commands he was giving, but I do recall him yelling...

MV: Okay.

JI: at the suspect.

MV: And just, just going back. I should have asked you this at the very beginning when you arrived on scene you were driving a marked police vehicle?

JI: Marked police vehicle on full uniform patrol. Yes.

MV: Okay. All right. I have no other questions. Attorney? Do you have some?

RK: No ma'am. Thank you.

MV: All right. Officer? Any questions?

JJ: None.

MV: Okay. That concludes this interview. It is 1727.

**INTERVIEW OF OFFICER LANGLEY:**

**MV:** Michelle VELOVICH, Sergeant – SDPD Homicide Unit  
**EL:** Emery LANGLEY, Officer – SDPD Southeastern Division  
**RC:** Robert KRAUSE, POA Attorney

MV: Okay. Today's date is August 9, 2018. It's 1545 hours. My name is Michelle VELOVICH, ID #5353. I'm a sergeant on Homicide Team 4. And in the room with me is attorney?

RC: Robert KRAUSE, K-R-A-U-S-E. Bobbitt, Pinkard & Fields.

MV: And then officer?

EL: Officer LANGLEY, L-A-N-G-L-E-Y, ID #7523.

MV: Officer LANGLEY, before this meeting began, I informed you that you're a witness officer in the officer involved shooting incident that we are investigating that occurred yesterday around 1717 hours in the 1100 block of South 40th Street. Is that correct?

EL: Correct.

MV: Okay. So the purpose of today's meeting is to gather your information as to what you saw and your responses to what you saw during that officer involved shooting event and taking the suspect into custody, correct?

EL: (Nods in the affirmative).

MV: Okay. So let's start from the very beginning. So you were working 2nd watch hours. Is that correct?

EL: 2nd Watch. Yes.

MV: Okay. And what unit were you assigned to?  
EL: 438Z.

MV: And who was your partner?  
EL: Officer IWATSURU, ID #7129.

MV: Were you a passenger or driver?  
EL: I was the passenger.

MV: Okay. And you started your shift at 1400?  
EL: Correct.

MV: Do you remember what equipment number you were operating in?  
EL: 7007.

MV: Okay. And so what caused you to end up over into the 1100 block of South 40th Street?  
EL: So my partner and I were 10-8, which means we were cleared. Ready to receive calls. We heard a radio call come over the radio over in the 40's, which is over in the 4000 block of Boston Avenue originally. It came out that a man was being attacked with a machete. We...I believe everyone was tied up on calls at the time so my partner and I volunteered for the call. We went to it. More callers started calling in with more details. Based on the details of the call and number of reporting parties calling in, we responded with Code 3 response believing that somebody's life was in danger. We...on the way there Officer PITTS who was 446Y also volunteered for the call. He was a little bit closer than we were. He responded on scene. We were a few blocks out and when we were a few blocks out, we heard Officer PITTS go 97 so he arrived on scene. And after he arrived on scene, he's...shortly after he arrived on scene, he stated that the suspect was now approaching him with a chain. Coming directly at him with a chain. Do you want me to go over the whole....

MV: Before you get to that part...  
EL: Okay.

MV: let's go back real quick.  
EL: Okay.

MV: You said more RP's and more details.  
EL: Yes.

MV: What kind of details do you recall were coming out regarding the radio call?  
EL: What I recall hearing on the radio was the initial reporting party called in and said that someone was being attacked with a machete. So that's what made us volunteer for the call. At that point we hadn't started responding Code 3. We were waiting for more details on it. And then I believe from my recollection, another reporting party called and stated that somebody was on the ground and bleeding from a machete attack. And that's what I

remember and that's what prompted the Code 3 response. And yeah. That's what made us go Code 3 to the call.

MV: Was there a suspect description provided? Do you recall?

EL: I don't remember.

MV: Okay. All right. And so a, a machete. You know what a machete is?

EL: I do.

MV: What do you, what...how are you picturing a machete?

EL: I picture a machete as a very sharp, long bladed knife. Normally from my training and experience of blades of a machete can exceed...I mean they can, they can be very big, normally exceeding over 12 inches, 15 inches. And it's a pretty blunt force object on the back side. So either side of it could be used as a deadly weapon.

MV: Okay. That was my next question. Is it a dangerous weapon?

EL: It is.

MV: Okay. And so you had an additional update that someone on the ground was bleeding?

EL: Yes.

MV: From a possible machete attack?

EL: Yes.

MV: Okay. Is that life threatening do you feel?

EL: At this point, yes. It's, if somebody was being att...if somebody was attacked with a machete and there was contact made, I believe that that's a weapon that would cause great bodily injury or death.

MV: Okay.

EL: Had it made contact. So again, that's what prompted the Code 3 response.

MV: Okay. And so do you recall how far away you were when you and your partner volunteered for the call?

EL: We were, I believe we were on the intersection of Euclid and Naranja. So we were right, essentially right on the border of the 30's and 40's service areas.

MV: Okay. And so Officer PITTS you said got there pretty quickly?

EL: He, yes. He responded to the call and I believe when he volunteered for the call, we had already crossed into the 40's. I don't recall where we were but I do recall him stating that he was volunteering for the call. And that he was a little bit closer than we were.

MV: Okay. And then we you said that when Officer PITTS was on scene, that he aired on the radio, via the police radio that the suspect was approaching him with a chain?

EL: Yeah. And when he, when he did air that, his voice was, it sounded like he had a lot of stress in his voice and I could hear some yelling in the background. And I knew Officer PITTS to be by himself with no assistance at that time.

MV: Okay. And so based on these things that you said you heard, that Officer PITTS said the suspect was approaching with a chain, that you said his voice sounded stressed?

EL: Yes.

MV: And that he was, there was yelling in the background and you knew that he was a single officer essentially there alone?

EL: Yes.

MV: Did that cause you to believe that Officer PITTS needed cover?

EL: Yes.

MV: Okay. So when you and your partner went en route, did you hear anything else happen while you were en route?

EL: Once Officer PITTS aired that the suspect was coming at him with a chain, which became our primary focus. We then shifted our focus from the original call out to that, to that scene, which is why we responded to him. He wasn't at...do you want me to keep going with it? Keep talking about the....

MV: Let me, let me ask so was, did you recall hearing Officer PITTS saying that he needed cover now? Or expedited? Or rolling Code or anything like that?

EL: He didn't. He didn't specifically from my recollection, he didn't specifically say "cover now" or "roll Code", however, based off of my training and experience, the stress in his voice. The details of the cover. The armed suspect coming at him. Him being by himself, I determined that his life was now in danger.

MV: Okay.

EL: And so that's why we continued to roll Code 3 till we could find him.

MV: Okay. All right. And so while you were en route, what was the update on Officer PITTS' situation with the suspect? Was there any updates that you recall?

EL: Yeah. He aired "Taser deployment". He didn't, from my recollection he didn't state whether or not he was effective. But he did state over the air that he deployed a Taser and yeah again, when...I think at that, I think when he aired that he deployed the Taser we were actually going 97. We were just coming onto Boston. On the 4000 block of Boston. And so, you know, but we didn't see them at that time.

MV: Okay.

EL: When we....

MV: Okay. And did you approach from...so you were going on to Boston. Did you approach from the east or the west?

EL: We approached from the east.

MV: Okay. Do you remember what hundred block of Boston you started out on? Were you on the 4000 block?

EL: It could have been 4100.

MV: Okay.

EL: You know, I don't recall, but it's within a couple of blocks, but...

MV: Okay. After the Taser deployment, were there any other updates on Officer PITTS' status with the suspect?

EL: Not that I recall. No.

MV: Okay. When you and Officer IWATSURU....

EL: IWATSURU with a U.

MV: IWATSURU?

EL: Yea.

MV: Okay. When you and Officer IWATSURU arrived on scene, what did you see?

EL: We arrived on scene on the 4000 block of Boston and there was a lot of citizens that were now out on the street and they were all pointing to the west, down the west side of Boston. We were under the impression that Officer PITTS was on the 4000 block of Boston and he wasn't there, which again made me even more fearful for Officer PITTS' safety. He hadn't updated a location at that point in time.

MV: Okay.

EL: So I got on the radio and I aired. I asked for location update.

MV: Um hmm.

EL: At that point Officer PITTS did update his location. I believe the location that he put out was I want to say 40<sup>th</sup> and National. I think is what he said.

MV: Okay.

EL: Which was the next block over running south to north. When he aired that, he sounded even more stressed out. He, he almost yelled it into the microphone. So again at this point in my head I was thinking that he was being attacked.

MV: Okay.

EL: So we pushed up there and once we got onto National is when we saw him. He was about a block and a half up. Are you going...?

MV: Yeah. When you saw him, he was about a block and a half up. What was happening when you saw Officer PITTS?

EL: We saw his car initially because he had his lights on. We couldn't so much see him because he was still quite a ways up. We ran to the corner. We get up there and I think I said to my partner. I said, "Where's he at? Where he's at?" And he said, "There's his car." So we accelerated up still running Code 3 and then that's when we saw him. When I saw him, he had his gun drawn. He was pointing it at the suspect. I could hear yelling. I had a clear unimpeded view of the back side of the suspect. And I had a clear unimpeded view of PITTS based off my position in the car as we approached. The suspect was, had no shirt on. He had his back towards us and he was really sweaty. He was really sweaty and he was gripping a chain. He was like dragging it on the ground. And at points I don't know if it was from him blocking or, because he was really agitated and he was power walking at Officer PITTS. I mean he was walking at him at a, you know, pretty, pretty good pace. He was gripping the chain and he was almost kind of like, not, he wasn't like whipping it drastically, but he was kind of like banging it off the ground.

MV: And so for the purposes of the recording, you're bringing your arm up like halfway?

EL: Yeah, I mean.

MV: Halfway, waistside?

EL: Not even halfway. I mean like, like I said. I don't know if he was agitated because of the way he was walking, but my interpretation of it at the time was that he was slamming it off the ground as like, you know, as he's walking towards Officer PITTS, you know, and threatening him with it.

MV: Okay. Let's, let's, let me ask you a couple of questions.

EL: Okay.

MV: So you said that you heard yelling. You saw the unobstructed view of the back of the suspect?

EL: Um hmm.

MV: And you saw an unobstructed view of the front of Officer PITTS?

EL: Correct.

MV: So in that specific description, Officer PITTS was walking backward?

EL: He was back stepping.

MV: Northbound?

EL: He was backstepping northbound on National.

MV: On South 40<sup>th</sup>?

EL: Oh I'm sorry. South 40<sup>th</sup>. Yes.

MV: Okay.

EL: I apologize.

MV: It's okay.

EL: I don't know why I keep saying National.

MV: That's all right.

EL: Yeah.

MV: I know it intimately because I've been there all night.

EL: Yeah. (Laughs).

MV: Uh, so...

EL: Yeah. I meant...I'm sorry, south...

MV: That's okay.

EL: So, the north to, just for the record the north and south range I was referring to is not National. It's South 40<sup>th</sup>.

MV: South 40<sup>th</sup>.

EL: Yes.

MV: Okay. And you said that the suspect was shirtless and he was sweaty?

EL: Yeah. He was real sweaty.

MV: Okay. How many years have you been on?

EL: About two and a half now.

MV: Okay. And have you had training in the Academy on people under the influence of a controlled substance?

EL: I have.

MV: And have you arrested people under the influence of a controlled substance?

EL: I have.

MV: Okay. So based on your training and experience are there any symptoms that you just described that could be also symptomologies of being under the influence of a controlled substance?

EL: Yes.

MV: Did you believe that the suspect may be under the influence of a controlled substance or no?

EL: Looking back on it now, yes. At the time that wasn't my concern.

MV: Okay. And so at the time did you just...what did you just think he was um, why did you think he was just being aggressive or just...?

EL: Um, I, again that, why he was being aggressive wasn't necessarily my concern so...

MV: Okay.

EL: My concern at the time was Officer PITTS' safety.

MV: Okay. So you said that he was dragging the chain, power walking towards Officer PITTS, sweaty and did, I'm, I'm sorry, did you say that he was aggressive? Or is that, is that my word?

EL: I mean he had an aggressive posture.

MV: Okay.

EL: He, he was walking, you know. He's gripping the chain. From what I remember he had his, you know, he's walking with it with an aggressive posture. I mean uh....

MV: And what's an aggressive posture?

EL: Uh in my training and experience when, if somebody's power walking at you and they got their fist balled up and they have a weapon in their hand, and they're power walking at you, and they're disregarding your commands to stop or whatever. I couldn't hear the commands that Corey was giving him.

MV: Um hmm.

EL: But I did see Corey yelling. And I could hear the guy yelling back, but I couldn't hear what they were saying.

MV: And so...

EL: So to me that's an aggressive posture. Showing that he had intent to assault Officer PITTS.

MV: Okay. So would you consider this assaultive behavior?

EL: Absolutely.

MV: Okay. And so keeping in mind the force matrix.

EL: Yep.

MV: Assaultive behavior uh can be challenged with by law enforcement with certain instruments?

EL: Correct.

MV: Correct? Is a Taser one of them?

EL: Yes.

MV: Okay. And so at that point when you saw the suspect in your words displaying assaultive behavior towards Officer PITTS, was it a situation where you felt that you needed to cover Officer PITTS and help him out?

EL: A hundred percent.

MV: Okay. So as you're approaching in the car, you're on the passenger side and you're seeing all these things happen and Officer PITTS is walking backwards going towards National Avenue at this point?

EL: Yes.

MV: Okay.

EL: (15:12). Inaudible.

MV: So he's in between Newton and National?

EL: Yep.

MV: Okay. So and with this chain. Can you describe this chain?

EL: Uh the chain, I mean it probably was, (sighs), uh I, I couldn't give you a measurement. I mean he was holding it at about waist level.

MV: Uh huh.

EL: And I remember it, you know, scraping the ground.

MV: Okay.

EL: So however tall that is. And it was a very thick chain that absolutely had the capability of causing great bodily injury or death.

MV: Okay.

EL: If he was to strike somebody with it.

MV: Okay. All right. And then what happened after you saw that and you were approaching the suspect and Officer PITTS?

EL: So yeah. We, we get out there and the gentleman was still approaching him. Officer PITTS is back stepping, yelling commands which I couldn't hear specifically. And at that point I saw Officer PITTS discharge his weapon. Uh, he fired two rounds at the suspect. I saw a muzzle flash and heard the gunfire. At that point I, uh, we had stopped our car and came kind of like to an abrupt halt, right just short of the suspect. And we were approaching from the south. And so I got on the radio right before I hopped out of the car and I aired "shots fired". My partner and I exited the patrol vehicle and we drew our service firearms and we maneuvered around Officer PITTS to get out of his crossfire. And we began giving commands to the suspect.

MV: Okay. And did the suspect comply with those commands? What commands did you give him? I'm sorry. First let me ask that...

EL: We were telling him to show, to show us his hands, so he'd put his hands behind his back and which he was not complying.

MV: Okay. And then what, what else happened after you guys gave him the commands when you guys were surrounding him?

EL: Myself...

MV: When did you approach?

EL: Yeah. So it was unclear at that time whether he was coherent because he had just been shot. So we were giving him commands. He wasn't complying. But then he...my partner and I, I had told Officer PITTS that, you know, I said, "Hey keep your gun out. Stay with lethal force. My partner and I will, will maneuver and go hands on and put handcuffs on him. So I switched spots with Officer PITTS and then now myself and Officer IWATSURU were more so on the, like towards the west curblin. And we went to go holster our weapons. But as we went to go holster our weapons, the gentleman started to stand up. Or I thought he was trying to stand up. He was able to get up on all fours. So I kind of...from what I remember I put my firearm. I holstered it and my partner did too. And we were yelling at him to "Stay down! Stay down! Stay down!" And he just was not complying. So uh...you want me to keep going?

MV: Um hmm.

EL: So my partner Officer IWATSURU used his foot to kind of like a push kick, to push him back down at which point I went to go hands on. My partner didn't have any gloves on and there was a very significant amount...I was sitting passenger so I had time to glove up before we got there.

MV: Um hmm.

EL: But my partner didn't have any gloves on and there was a significant amount of blood on the ground so he had to throw some gloves on real quick. So I went hands on with him. As I go hands on with him, I placed my hand kind of like on the, on his like trap (referring to the trapezius muscle) right here. Right near his neck to, to control his head. To keep him down cause he was still trying to stand up...

MV: Back of his head?

EL: Yeah.

MV: Okay.

EL: Still trying to stand up. And I kept telling him, "Stay down! Don't, don't move! Don't move!" And then I went to go roll him over and as I rolled him over, he tucked one of his hands down. And so when he rolled over onto his stomach, his hand was now down underneath him. So I started giving him commands to put his hand out and show me his hand. I, we didn't see a machete. And that was the call that was put out. So as far, as far as I was concerned, I thought he was reaching down for a weapon.

MV: Um hmm.

EL: So he, I couldn't see his hand. I think he had, he did have one hand exposed, but the other one was tucked up underneath him. And I couldn't see. And I kept telling him to show me his hand. And then I tried to grab it to pull it out and he tensed up. And he still...and I'm a big guy but he, he tensed up and I couldn't pull his arm out cause he was tensing it and pulling it away from me. And at one point he used his free hand that was out. He grabbed my hand like this and...

MV: And for the purposes of the recording you're saying like this. So you put one hand over the top of your other hand?

EL: Correct. So yeah, I'm sorry. He, with his free hand he grabbed I don't specifically where, whether it was on my forearm or my hand, but he had pulled, kind of like grabbed it and like pulled it. Almost like he was trying to pull it into him. So at this point I used a distraction blow to the side...I had his head right here so I used a distraction blow to the side of his face. I don't recall exactly how many times. I estimate it to have been two times. The strike was ineffective as he didn't initially comply. I did the two distraction blows. Gave him an additional command to show me his hand which he did eventually bring it out and he brought it to his side. And then I was like, "Put your hand behind your back!" And he, I went to grab it again and then he tensed up again. He wouldn't let me put his hand behind his back. And then I remember giving him one more distraction blow in which I, I think was effective. Because after that my, my partner was now helping me out at this point and we were able to handcuff him.

MV: Okay. Let me just back up just a little bit. You said that you had no information about where the machete was. And you were concerned based on the fact that he had a hand down underneath him still. That he may be have been going for the machete?

EL: A machete or any kind of weapon.

MV: Okay.

EL: Cause, yeah. I mean we didn't, we, there was not...from my recollection, none of the reporting parties mentioned anything about a chain.

MV: Okay.

EL: Or if they did, I didn't hear it. So but he, so now when we arrive on scene, we see him with a chain. So now we have a machete and a chain to worry about. So I didn't know what...

MV: Okay.

EL: what else might have happened.

MV: So was he wearing clothing that was easily to conceal? Or easy to conceal a machete or another weapon? Do you recall?

EL: Um I don't recall necessarily. I, I mean I do remember him. I think he had red boxers on and black pants. And I mean, if, if you have pants on, you can conceal a lot of weapons inside your...

MV: Okay. So was he wearing clothing that was skin tight that if, if he were to hide a machete or something on there that you would have seen it?

EL: Um I don't recall how tight his clothing was.

MV: Okay. All right. The distraction blows and commands. Okay. Describe what you, describe your specific blow?

EL: Uh I gave the first two, or three...again I, it's an estimate between two or three. I gave him a distraction blow to the side of his face with intent that we would either be able to grab his hand and pull it out because now he's obviously focusing on the distraction blows. Or that he would comply with our commands. Because I, I was, the whole time I was ordering him to stop resisting. I was ordering him to put his hands behind his back and he was just not complying. And he still had a, you know, despite the loss of blood and everything, he still had a very good amount of strength.

MV: Okay. Is a distraction blow, can you describe what exactly your distraction blow was? Was it an open hand? Was it a closed hand?

EL: Closed fist.

MV: Okay. Closed fist to the side of the face. And do you recall which side of the face at all?

EL: I don't recall. I want to say...uh, I don't recall.

MV: Okay.

EL: I don't know for sure.

MV: And so the first two, um and the first two distraction blows that you provided to the side of the face were ineffective is what you said?

EL: Uh...they, he did bring his hand up. So from what I remember he did bring his hand out. But then when we grabbed it, he tensed back up again.

MV: And isn't that when he grabbed your arm?

EL: Yeah, except I don't remember the specific exact time when he grabbed my arm. But he did grab my arm and he did pull it like pull it towards him. And that's, I like had to pull my arm away. And then that, I think that's what prompted me to give him the distraction blows.

MV: Okay.

EL: Or at least the additional distraction blow.

MV: And the thirdish, you think it was at least the first time and then at least one more the following time?

EL: Um hmm.

MV: The third distraction blow, can you describe that one as well?

EL: The third one from my recollection was when his arm came out and then it was I think myself and Officer IWATSURU went to grab it. Or maybe it was just me. I don't remember what, where he was at this point. But I went to go grab his arm and then as I grabbed his arm he tensed up again. And then so I didn't know if he was gonna tuck it back underneath of him, or if he was gonna try and grab me and pull me in. So I gave him one more distraction blow to the side of his face. And I remember that one being effective which was when we were able to...

MV: Okay.

EL: put his hands behind his back.

MV: And then you describe your first two distraction blows as a closed fist...

EL: Yes.

MV: to the side of the face. Was the third one also a closed fist?

EL: Yes. All three of them.

MV: Okay. Uh...

EL: And again just for the record. The fir...I don't remember the exact number of the first distraction blows. It could have been three or two. But if I had to guess, I would say it was two.

MV: Okay. And in and doing...well let me back up a little bit. When we used distraction blows. When you're using distraction blows, what is the purpose and what kind of behavior is the suspect displaying in order for you to use distraction blows?

EL: So if a suspect is actively resisting you can use distraction blows. And the purpose of a distraction blow is to strike him in a certain part of his body so that you can get him to comply...

MV: Um hmm.

EL: in another part of his body. So for this instance my intent in striking him with a distraction blow was that he would not be focused on the pain or the blow that he felt on his face so that we were able to pull his hand out from grabbing a weapon underneath of him. Or I should...me, not we.

MV: Um hmm.

EL: So that I was able to pull his hand out from underneath of him.

MV: Okay. And then ultimately after the third distraction blow was it effective?

EL: I remember the distraction blow being effective, yes.

MV: Okay.

EL: Because at that point we were able to get his hands behind his back and he stopped tensing up.

MV: Okay. And once his hands were behind the back, did either you or Officer IWATSURU handcuff him?

EL: Officer IWATSURU did.

MV: Okay. And once he was handcuffed, was there a need to use any other distraction blows?

EL: No.

MV: And did you?

EL: No.

MV: Okay. And so at that point after he was handcuffed, what did you and Officer IWATSURU do?

EL: He was fairly irate.

MV: Umm hmm.

EL: And he was still screaming. He, I don't...from what I remembered what he was screaming was kind of gibberish and mumbled. I couldn't really understand what he was saying. But we rolled him over to his side and then we conduct...we started doing a search for any weapons or contraband or anything like that.

MV: Did you find any?

EL: No. I think. I...Officer IWATSURU conducted the search, but from my recollection we didn't find anything just, you know, pocket stuff. You know, little pieces of paper and things like that.

MV: Okay.

EL: But yeah, we didn't find anything so uh we rolled him over to his side. And then after we did that, we rolled him over to his back and then we started talking to him. I just told him, you know, "Try and stay still", cause he was still moving around and kicking around and, and kind of trying to talk to us. And I told him. I was like, "Just don't talk. Be quiet." You know, "Stop moving. Try not to move." And at that point I believe Officer DOWNING arrived on scene and started assisting us with the first aid. I directed my partner to go grab his first aid kit because he's got a good first aid kit.

MV: Um hmm.

EL: Once he got back with it, we started wiping the blood off of his torso so we could try and find an entry wound. We were able to find an entry wound. My partner, me and Officer DOWNING, we put our hands on his entry wound to stop the bleeding because he was bleeding pretty good.

MV: Um hmm.

EL: So we put a lot of pressure down on his entry wound. Again it was on his torso. I believe it was right underneath of his right nipple, or pectoral muscle.

MV: Um hmm.

EL: And we applied pressure while Officer IWATSURU was grabbing his first aid kit. He got an occlusive dressing and we tried to apply it on the exhale to stop because he probably had, we assumed he had a sucking chest wound. So we put the occlusive dressing on. The first one there was no seal because he had too much blood. So uh cleaned the...we used some gauze to clean the blood off to get a better seal and took the occlusive dressing off. Cleaned the blood off and then put a new, a new occlusive dressing down on his chest which was effective. Sealed the wound. Rolled him over, started looking for an exit wound. We determined that there was no...well from what we could see that there was no exit wound. Looked, he had a big bulge on his back which we assumed was the, the round that had passed through his body and didn't exit out the other side. But he was still losing a significant amount of blood and we couldn't tell where it was coming from. So

we kept looking for it. And then we eventually found a, some kind of entry or exit wound on his bicep. And I don't remember which side it was. I think it was his left arm. But it was on like the inside of his bicep. It was way down pretty good. And then before we started working on that, medics had already arrived on scene and they started packing that wound up with gauze. And then we kind of backed off from there. I kind of backed off. We let the medics work on them and they started providing oxygen for him. And then I kind of backed for a second but then he started kicking his feet up again. And he started kind of like trying to push the medics away with his feet. And he kept trying to sit up, so I had to circle around and hold his feet down while they worked on him. And that's pretty much what I did until they took him away.

MV: Okay. All right. I don't have any other questions. Do you have some questions?

RK: Yeah. Just one real quick one. You worked with Corey before?

MV: Absolutely.

RK: Officer PITTS?

EL: Yes.

RK: You're familiar with his tone of voice over the radio?

EL: Absolutely.

RK: Something, you're familiar when he's calm?

EL: Um hmm.

RK: And how would you describe his voice this day and what did that lead you to believe?

EL: Um the first transmission that he put out, that the suspect was coming with him. He was clearly in distress. Um I could tell from the, from, again I've worked with Officer PITTS. I know his mannerisms. I could tell by the tone of his voice that he was in distress and that he needed help. Um, but, you know, he didn't...in my opinion he didn't air "cover now". I mean he prob...he assumed that we were coming to him Code 3 by what he aired, "He's coming at me with a chain." He said, and when he said, "He's coming at me with a chain", we all knew he was coming at him with a deadly weapon and we needed to get there. So that's what did it. And then we aired that he uh deployed his Taser, again his voice was still stressed out. But it was when he aired his new location and we asked him for it, he aired his new location and he sounded very distressed. And at that point, in my mind, I believed that he was being attacked already. (Inaudible at 30:23)

RK: That this was from a known quantity that you work with so...?

EL: Yes.

RK: Okay. That's all I have.

EL: And yeah. Again his voice was real stressed out.

RK: Um hmm.

EL: He was almost yelling in the mike, so we uh, we had believed him to be in trouble.

MV: Okay. No other questions?

RK: No ma'am.

MV: Anything to add?

EL: Nothing Sarg.

MV: Okay. That concludes this interview. And it is 1622 hours.

**WITNESS INTERVIEW:**

On August 8, 2018 at about 1730 hours, I received a phone call from Detective Sergeant M. Velovich #5353 to respond to 4000 National Avenue to investigate a report of an officer involved shooting. I arrived on scene at about 1815 hours and met with other members of Homicide Team IV which consisted of Detectives B. Sanchez #6610, Travis Demas #6479, Chris Murray #6120 (relief), Maria Delgadillo #5596, and me.

I was assigned to interview witness [REDACTED]. This interview occurred at the intersection of 40<sup>th</sup> Street and Newton Avenue. I recorded the interview. This was essentially what [REDACTED] told me:

**Interview of [REDACTED] (witness):**

I was down there at the intersection of Alpha and 40<sup>th</sup> Street. I was with [REDACTED]. We were sitting in the car. We were facing south on 40<sup>th</sup> Street. We heard some commotion from behind us to the north. I heard someone screaming; a male voice saying stop.

Investigator's Report

Witness: [REDACTED]

Case: 18-025270

Page 2

We turned the vehicle around. We drove up north on 40<sup>th</sup> Street. We first saw the suspect where the taser gun is. We heard the officer saying, "Stop, stop." The suspect was walking with the chain, but we didn't see him swinging it. He was holding the chain in his right hand. I heard the officer telling the suspect to drop the chain. The suspect did not drop the chain. I heard the suspect's girlfriend saying, "He's on PCP. Don't hurt him. He's hallucinating. He got a bad dose."

The officer and suspect were walking in the street. The officer was walking backwards. The suspect was following him. I first saw them at about mid-block between Newton and Boston. They were walking in the middle of the street. They were about 6 feet apart. I heard a pop when we were turning around. I am assuming it was the taser.

We followed them to the intersection of 40<sup>th</sup> and Newton. [REDACTED] was driving. We had to pull over when the cop car passed us. We stopped at the intersection and parked. I got out of the car. I was trying to record, but my phone's memory was full. I heard the gunshots. The police car passed us from the south going north. I was already out of the car at that point. I was walking from the southeast curb to the northwest curb when I heard the gunshots. When I heard the gunshots, I went to the northeast curb to hide.

The officers in the car did the gunshots. I heard 3 to 4 gunshots. Once I heard the gunshots I ran behind our truck. [REDACTED] had moved the truck to the northeast corner of the intersection. I then went to the west curb of 40<sup>th</sup> and walked North on 40<sup>th</sup> from Newton. I met the other lady over there ([REDACTED]). I was trying to get the girlfriend to calm down. She was hysterical.

The girlfriend was telling another lady to go back down to the house and to clean things up before they get there. I don't know who she was talking about. They looked like family members. The lady didn't want to leave. The girlfriend wanted to leave. The girlfriend said she was staying at her mom's house. It was odd she was worried about someone getting back to the house.

The officer was talking to the suspect. He wanted him to stop and calm down. He obviously didn't want to shoot him or he felt safe enough to not shoot him. I couldn't see what happened right before the shooting. The police car blocked my view. When I had a view, the guy was already on the ground. I think the officers in the car were the ones that shot him. I saw the chain up there on the ground.

The officers were taking care of the suspect. They were checking for the gunshots. They were checking his breathing. They were telling him to keep his eyes open. They had some gauze and were applying pressure. I am very proud of them.

It was very odd the girlfriend was persistent that someone go back to clean up something.

**SUBJECT INTERVIEWED:**

On August 08, 2018, at 1730 hours, I received a phone call from Detective Sergeant M. VELOVICH to respond to 4000 National Avenue, San Diego, regarding an Officer Involved Shooting. I arrived at approximately 1825 hours and met with other members of Homicide Team IV, which consisted of Sergeant VELOVICH, Detective T. DEMAS #6479, Detective I. DELGADILLO #5596, C. MURRAY#6120 (relief), and M. SHERBONDY #6516 (relief).

At 1917 hours, Sergeant A. ALEXANDER #4638 and Sergeant F. WHITE #4435 conducted the briefing. After the briefing, Homicide Team IV took over the investigation.

After the briefing I spoke with [REDACTED]. During the briefing, [REDACTED] was reported to have obtained video footage of the officer involved shooting on her personal cell phone. I located [REDACTED] at her

residence ([REDACTED]). My conversation with [REDACTED] was audio recorded and later downloaded onto a CDR and impounded at police headquarters under barcode #10918309.

I introduced myself to [REDACTED] and explained to [REDACTED] that I would like to obtain [REDACTED] permission to download the video footage [REDACTED] had captured on [REDACTED] cell phone regarding the shooting. [REDACTED] was very cooperative and agreed to send the footage on [REDACTED] phone to me via text message. I later transferred this footage to a CDR and impounded it at police headquarters under barcode #10918276.

I obtained a more detailed statement from [REDACTED]. [REDACTED] essentially stated the following:

*(The following paraphrased statement is not to be considered a substitute for listening to the CDR containing the entire audio recorded interview)*

**Statement of [REDACTED]:**

*The suspect had a chain and he was swinging it from side to side. The officer had a gun pointed at him. He was telling the suspect to drop the chain. The officer was walking backward the whole time. The suspect wouldn't listen or obey the officer. It looked like the officer didn't want to shoot him. The officer fired two shots. The last thing the officer told the suspect before he shot him was to stop. The suspect looked really angry. I couldn't hear or articulate to you what the suspect was saying.*

*The suspect was a black male, 5-08 or 5-09, late twenties or early thirties. I can't remember what he was wearing. I wasn't really paying attention to him because I was nervous when the officer was pointing the gun at him.*

*I heard a woman screaming in the background sayings, "stop" and "no." I don't know if the suspect was moving after he got shot but the officers were telling him to stay on the ground after they had already shot him. The female was telling the suspect to put his hands up and not to move as well. She was a black female. I think she was wearing a "doo rag" in her hair. She was about 5-08 as well. She was thin. I don't remember what she was wearing.*

*The officer was easily identifiable as an officer. He was wearing a hat. His hat said "SDPD." He was in full uniform.*

*The distance between the officer and the suspect was probably 10 feet. I never saw the suspect hit the officer with the chain.*

*I have never seen him prior to this, but I posted a video, and one of our neighbors responded by saying they thought it was the same suspect who vandalized some cars a week prior.*

I obtained the neighbor's information from [REDACTED]. [REDACTED] also provided me with a screenshot of the neighbor's response [REDACTED] received.

looked outside. The cop was saying, "Stop," repeatedly. The guy was getting closer to him. That's when he shot the guy with the chain. The other officers pulled up right after.

I don't remember what the guy was saying with the chains if anything. The officer was walking backwards while pointing his gun at the suspect. The suspect was swinging the chain in the air like a lasso. The chain was getting closer to the officer, and that is when the officer shot him. I heard two shots.

The suspect was resisting after he was shot. The officers told the suspect to put his hands behind his back. He was trying to get up. He was resisting. One officer hit (punched) the suspect. I saw an arm swinging down on the suspect. The officer that hit the suspect was not the officer that shot him. This happened when the suspect was trying to get up. More officers arrived. They were giving first aid. The firefighters then arrived.

I don't remember the suspect being handcuffed. This entire incident happened in about 10 seconds. I had a clear view from the front of my door. I was on the inside of the door looking outside. The SUV did not block the view when the suspect was shot.

I saw the police officer walking backwards. I saw the man walking towards the police officer. He was swinging the chain around and at the

officer. The police officer kept repeating, "Stop, put it down." The guy didn't stop. I came outside. I was right at my door. I saw them right at the front of the truck.

I saw the suspect swing the chain at least once or twice at the officer. The chain was about 3' away from the officer but did not hit the officer. The suspect was swinging the chain like it was a lasso. It was not a long chain. He was hitting the ground with the chain as well. The officer had his gun out and pointed at the suspect. The suspect was yelling at the officer. I don't know what he was saying. The officer said, "Stop, put it down," about six times during the time frame that I saw them. The officer took about 10 to 15 steps back. The suspect was about two steps away from the officer. The officer took another step back and fired. The suspect was about 5 to 8 feet away from the officer. I heard two gunshots.

I had a clear view of the shooting. The shooting happened right in front of the truck. There were no obstructions. We saw the officer fire the gun. We saw the suspect fall down. The police car pulled up. The suspect was still trying to get up even though he was shot. The officers said stay down. They were trying to arrest him. He was still trying to get up. He was screaming like he was in pain. They put handcuffs on him. He never got fully up. He wasn't throwing punches at the officers. He was resisting and trying to stand up. He wasn't attacking. It took all three officers to put the handcuffs on the guy.

There were two police officers in the car that arrived. There were no other people on our side of the street. I saw people on the west side of the street. There were two ladies, a man, and a man on a bicycle. One of the ladies said he was on PCP.

When the medics arrived, the officers tried taking the handcuffs off. The officers got a first aid kit from the back of the car. They were trying to help him. They told the suspect don't move, relax.

**WITNESS INTERVIEW:**

On August 8, 2018 at about 1730 hours, I received a phone call from Detective Sergeant M. Velovich #5353 to respond to 4000 National Avenue to investigate a report of an officer involved shooting. I arrived on scene at about 1815 hours and met with other members of Homicide Team IV which consisted of Detectives B. Sanchez #6610, Travis Demas #6479, Chris Murray #6120 (relief), Maria Delgadillo #5596, and me.

I was assigned to interview witness [REDACTED]. On September 04, 2018, Detective T. Demas and I interviewed [REDACTED] at [REDACTED]. Due to technical difficulties with my digital recorder the interview was not recorded.

At approximately 13:50 hours [REDACTED] essentially told me the following:

**Interview of [REDACTED] (witness):**

On the August 08, 2018 at approximately 5:00pm I was walking my [REDACTED] to [REDACTED] baseball practice at the park down the street. We were walking east on the side walk when we got to the fence line of 4056 Boston Avenue. I saw a black male holding a machete in his right hand. I believe he was wearing red shorts. He was in the middle of the street. He appeared agitated. A [REDACTED] who lives at 4056 Boston was telling him to stop.

I looked over towards the front porch of their house and saw another black male on the porch. He appeared to be hiding from the male with the machete. I saw him peek over the porch wall. The guy with the machete saw him peeking over the wall and immediately started walking rapidly towards him.

When he got to the porch I saw him walk up the steps. I then saw him swing the machete several times at the black male who had been hiding. I believe he struck him on his left side. The female kept telling him to stop.

I was scared and kept walking with my granddaughter. I told someone who was driving by to call the police.

**Interview of [REDACTED] (witness):**

I was the driver of the vehicle. I heard the officer yelling. We were parked at 40<sup>th</sup> and Alpha on the west side facing south. I couldn't make out what was being said. I turned the car around. The first time I saw

the officer and suspect, they were in the middle of the intersection at 40<sup>th</sup> and Newton. I heard the officer tell the suspect multiple times to drop the chain and drop the weapon. The suspect wasn't listening.

The officer was walking backwards to the north. The suspect was walking towards the officer. The officer had his firearm out and pointed at the suspect.

The suspect came out of a vehicle. There was a vehicle parked here (referring to 40<sup>th</sup> Street, ECL, just south of Newton), but it's not here now. The suspect came out of the vehicle and walked towards the officer. The guy had something in his hands. I heard someone say, "He has a chain in his hands." I couldn't see his hands as we were driving, but he was moving his hands as he was approaching the officer.

I parked on the northeast corner of 40<sup>th</sup> and Newton. The cop car blocked my view. I heard about 3 gunshots. I couldn't see what happened. I just saw the suspect on the ground. I got out of the car and went to the west side of the street with my wife ([REDACTED]). We walked north on 40<sup>th</sup> (west curb) from Newton. I saw a couple holes in the suspect's chest. He was bleeding out. He was twitching. The officers called the paramedics.

I saw the officers using gauze on the suspect. The African America lady was next to us. She was yelling. She wanted to go to where her boyfriend was.

**Interview of [REDACTED] (witness):**

I was coming home from work when my [REDACTED] friend texted me saying there was a shooting near my house. I started seeing Twitter feeds on my phone about the shooting and also saw a video of the shooting that a friend recorded [REDACTED]). I watched the video she sent me and saw the man walking

towards the police officer. I did not see exactly what happened in the video, but I sent a message to my friend letting her know that I recognized the guy in the video as being the same man who has been recently walking down my street holding a large chain and damaging parked vehicles.

The first time I saw the male with the chain was about two weeks ago during the evening hours. He was just walking down the street dragging the chain on the sidewalk and street. He was a dark skinned Black male who was tall, skinny and had a shorter style afro. I think he was wearing a muscle shirt with blue jeans.

The second time I saw the same male was about a week ago, either Tuesday or Wednesday. I believe I saw him after I got home from work, maybe five or six o'clock in the evening. This time he was walking from the park and I heard him yelling while I was inside my residence. I then heard a big boom sound come from the street, which caused me to walk out of my front door to see what was happening. As I walked out I saw the male use the chain to strike the parked car that was in front of my residence. The male then crossed the street and proceeded to kick another parked car causing it to sustain a dent. The car with the dent belongs to my neighbor who lives in apartment [REDACTED]. I told my neighbor about what happened, but he just ignored it and never made a police report. The male continued walking after kicking a dent in my neighbor's car and proceeded to hit a mirror of a third vehicle causing the mirror to be pushed in. The male continued to yell while he walked away after damaging the cars, I'm not sure what he was saying but I believe he was under the influence of something due to how he was acting. I told my [REDACTED] how the male had damaged the cars and my [REDACTED] attempted to follow him but lost sight of him on the next street. The male was last seen walking westbound on 4000 Newton Avenue.

The third time I saw the male walking down my street was on Thursday around five o'clock in the morning. I again heard someone yelling, so I looked out my window that faces the street and saw the same male use his hand to hit my [REDACTED] father's vehicle that was parked on the street. The vehicle belonging to the father of my [REDACTED] sustained a shattered window due to the male hitting it and a police report was filed (SDPD Case # [REDACTED] - Victim: [REDACTED]). I did not see the male holding the chain during this incident.

*(The following paraphrased statement is not to be considered a substitute for listening to the CDR containing the entire audio recorded interview)*

**Statement of [REDACTED]:**

*I have a video of what happened. I called in to let them know that someone had been shot by the police officer. The video captures a little bit before the shooting when the suspect was proceeding toward the officer. It goes off screen because I didn't want to be in the line of fire. It captures after the audible gun shots and when the suspect was on the ground.*

*The guy was screaming at the officer and there was a lady in the background screaming something, but I couldn't make out what she was saying. I think the video is about 2 minutes long.*

**At this point in the interview [REDACTED] and I exchanged emails and phone numbers so I could obtain the footage from [REDACTED] phone.**

*The suspect approached the officer and the officer told him to stop and drop the chain he had in his hand and to follow orders and get on the ground or he was going to shoot him. The suspect kept coming at him and saying things, and I guess, he didn't want to follow orders and the officer shot him twice. The video captures all that.*

*The suspect was a black male, maybe 5-10 or 6-0, light weight, maybe 110 pounds. He had an afro type of hair. I think he had white shorts and he wasn't wearing a shirt. He had about a 4 foot long chain. He was dragging it and swinging it like he was going to use it on the officer. The officer kept giving him commands to drop it and get on the ground.*

*I don't know who the female is. I didn't recognize her. I just heard her coming from the background. I didn't really get a picture of her, I just heard her screaming. It isn't clear what she is yelling about.*

On August 15, 2018, I obtained the video footage from [REDACTED]. The footage was later downloaded onto a DVDR and impounded at police headquarters under barcode #10918927.

**Interview of [REDACTED] (witness):**

I just got home from work and changed. Me and my [REDACTED] were talking inside the house. We heard commotion and yelling outside. We went out to the front porch. I saw a scuffle in the driveway of my next door neighbor (to the west).

Investigator's Report

Witness: [REDACTED]

Case: 18-025268, 18-025269, 18-025670

Page 2

I saw the tall, aggressive guy. I heard him yelling and screaming. There was something going on on the ground. I could see him bending over. I could not see the other guy. I was looking over my fence. I guess the other guy was on the ground. I saw the neighbor. She was trying to bear hug him to get him to stop fighting. It didn't work. There was a lot of yelling by other folks trying to stop the fight. I don't know who the others were. The female lives at the house.

I did see a real aggressive motion. I could see blood. The guy was chopping. He was chopping at the guy. He was saying, "I'm gonna fuck you up." The other guy kept saying, "Stop." It was really fast. He did it a few times. I saw the other guy run out into the street. He had blood all over his face, chest, and arms. That's the first time I saw him. They were all black males or females over there. The guy that ran out to the street was shorter.

The incident I saw happened in the driveway kind of in the middle between the house and street. I never saw what he had in his hand, but it was something. The gentleman that ran out was asking for a towel. People were trying to help him. The aggressive guy ran to the backyard. He was screaming and cussing. The female was trying to stop him. She said, "The police are coming." He said, "I don't care."

I could hear him throwing stuff around and kicking stuff. I looked towards the back and saw something get chunked up in the air. He kept yelling, "Where are my chains?" He ran out with the chains in hand. Somebody helped the guy (referring to the victim) go across the street. Initially, he was sitting on the north side of the street in a chair someone had brought for him. He was in the street in front of the driveway. Someone then helped him go across the street (south side). They were pouring water on his head. Somebody called for an ambulance.

The guy with the chains ran out. The female was with him. He was running around and moving the chains in an 'X' motion. He was saying, "Who's gonna do anything to me?" When he made it down the street, I don't know where he went after that. I don't know what started this. The girl kept saying, "the police are coming" and "stop."

I didn't know where the suspect "chunked" whatever he had. The officers found it on their roof not mine. The guy had been acting crazy for a couple weeks now. He was always hitting stuff with the chains. It drove us nuts. It has been going on for weeks. Every time he was getting angry, the chains would come out. He always seemed to be high on something.

He doesn't live here. He showed up here not too long ago. A brother and sister live in the house. It used to be owned by the girl's mother. It's in a trust now. We've lived here for 20 years. The brother was at the house when this happened even though he'll probably say he wasn't.

The aggressor was very against police. He would always say, "When they come and get me this is what I'm gonna do." He'd then swing the chains.

**WITNESS INTERVIEW:**

On August 8, 2018 at about 1730 hours, I received a phone call from Detective Sergeant M. Velovich #5353 to respond to 4000 National Avenue to investigate a report of an officer involved shooting. I arrived on scene at about 1815 hours and met with other members of Homicide Team IV which consisted of Detectives B. Sanchez #6610, Travis Demas #6479, Chris Murray #6120 (relief), B. Sanchez #6610, and me. After the Homicide Brief Homicide Team IV took over the investigation.

During the course of our investigation we learned that Vaughn Denham had attacked [REDACTED] with a machete. On August 14, 2018 Detective Sergeant Velovich asked me to call [REDACTED], who was one of the reporting parties of the assault.

[REDACTED] essentially told me the following:

**Interview of [REDACTED] (witness):**

*I live in Columbus, Ohio. I've been in San Diego for about a week and a half visiting my [REDACTED]. I was in the house playing video games when I heard people yelling. There are camera's that look out into the front of the house, so I looked at the camera's video to see what was going on outside. It looked like they were*

*fighting over there (4056 Boston Avenue). I visit frequently and known that the police are always there.*

*I went outside and saw Vaughn with a machete. I saw the guy ([REDACTED]) that got injured on the ground. I don't know his name. I didn't see Vaughn actually swing the machete. I saw when Vaughn had the machete pressed against the victim's head.*

*Everyone was yelling trying to get the machete away from Vaughn. Vaughn's girlfriend was socking him trying to get the machete out of his hand. Everybody was hitting him trying to get the machete away from him. He was on the drugs they use over there. He was not in his right mind. I'm not sure how they got the machete away from him.*

*The guy that was injured got up off the ground. When I saw that he was bleeding pretty badly I called the ambulance.*

*Vaughn had gone into the house. He came out with a kitchen knife. I don't know how they got the knife away from him. I heard him say, "Give me my chain." I don't know why, but they gave him his chain. It's a big chain. He has swung that chain at the neighbors before.*

*After he got the chain he went towards 40<sup>th</sup> where he made a right and headed towards National Ave, where I lost sight of him. That's when I heard the two gun shots. I didn't see the police shoot him.*

*I ran up the hill and saw the police putting the EMT patches over the bullet wound to stop the bleeding until the medics could get there. They were trying to help him.*

*On the day of the incident I believe Vaughn was wearing blue shorts. They might have been jean shorts. I don't think he was wearing a shirt.*

*I don't recall if there was any arguing before the machete attack. I don't know what lead to it. The story in the neighborhood is that the victim ([REDACTED]) and Vaughn were getting along with each other throughout the day. Vaughn had supposedly smoked PCP with a 12 year old boy and that's when he went crazy.*

*I'm staying at [REDACTED]. They have the ring doorbell camera. I have looked through the video and it did not capture the machete attack. I believe the attack happened in their ([REDACTED]) front yard. The image becomes distorted if you try to zoom to their house.*

Investigator's Report

Witness: [REDACTED]

Case: 18-025268, 18-02569, 18-025270

[REDACTED] was home during the incident, but [REDACTED] was sleeping in [REDACTED] room and did not see anything.

*I can view the video through an App on my phone but I am not sure how I can provide a copy of the video to you. I am going to call the company directly and find out how to provide you with a copy of the video.*

-End of interview

I provided [REDACTED] with my contact information. On August 21, 2018 [REDACTED] who resides at [REDACTED] and is the actual owner of the camera equipment emailed me the video footage. I reviewed the footage and confirmed the machete attack was not captured. I made a copy of the footage and impounded at SDPD Headquarters on barcode #10918650.

### OFFICER'S STATEMENT:

On 08-08-2018, at approximately 1718 hours, Officer Hamilton #7339 and I were on duty, in full police uniform, and in a marked patrol vehicle when we responded to a radio call of an assault with a deadly weapon located at 4036 Boston Avenue. During the event, shots were fired and we responded using lights and sirens from 5000 Logan Avenue. Upon our arrival, Officers on scene requested to have South 40<sup>th</sup> Street and National Avenue to be blocked to prevent traffic from going into the scene. I then placed our patrol vehicle at the mentioned location. We exited our patrol vehicle and Officer Pitts #7564 requested us to secure his patrol vehicle, which was located at approximately 1100 South 40<sup>th</sup> Street.

I attempted to locate the victim when Officer Pitts aired that he had dropped his taser in the middle of the street. I then located Officer Pitts' taser in the middle of the street in front of approximately 1156 South 40<sup>th</sup> Street. I saw an unidentified citizen approach the taser and I ordered him to get away from it. I then remained near the taser to preserve it and prevent the public from tampering with it. I then placed police tape on the north curb line of the intersection of South 40<sup>th</sup> Street and Boston Avenue. I also placed police tape on the north alley of 4000 Boston Avenue and South 40<sup>th</sup> Street.

I remained near the taser and the post located at the north alley of 4000 Boston Avenue and South 40<sup>th</sup> Street when I located a witness, identified as [REDACTED] who provided me with a statement (please see below). [REDACTED] was a Spanish speaker & [REDACTED] lived at [REDACTED]

After interviewing [REDACTED] I remained on my post until Officer Cortez relieved me on 08-09-2018, at approximately 0045 hours. I then cleared from the scene. I am a certified bilingual speaker (Spanish and English) through the City of San Diego.

### Statement of [REDACTED] (Witness):

*(Translated from Spanish to English & Paraphrased)*

I was inside my house when I heard a lot of yelling in the street. I saw, what appeared to be, a black male or female with a ripped shirt at the corner of South 40<sup>th</sup> Street and Boston Avenue. I saw the Officer in front of the house. The black male then began to chase the Officer as the Officer walked backwards. I then saw the male or female chase after the Officer on South 40<sup>th</sup> Street. The Officer was walking backwards. I didn't see much after that, but then I heard about three gunshots up the street near National Avenue (END OF STATEMENT).

### OFFICER'S STATEMENT:

On 08/08/18, at approximately 1715 hours, I was in full police uniform and driving a marked patrol vehicle when I was dispatched to assist in the investigation of a person who had been hit in the head with a machete at 4036 Boston Avenue, San Diego, CA 92113.

While driving to the scene, officers announced "shots fired," over the radio. I parked my patrol vehicle at the intersection of 40<sup>th</sup> Street and National Avenue. I ran down to where the suspect (later identified as Vaughn Denham) was being given first aid by Officers Langley #7523 and Iwatsuru #7129. I assisted in providing first aid until medics arrived.

I accompanied the medics in AMR ambulance #10. Medics Paul Maxwell #2240, Corbin Marion #E097402, and Firefighters James Mcallaster #P10503 and Romero Marco #306080 from San Diego Fire Dept. #19 treated Denham while we drove to the hospital.

When we arrived at UCSD Hospital, Denham was treated by Dr. Costantini under Medical Record # [REDACTED]. At 1945 hours, Dr. Costantini pronounced Denham dead. The attending medical personnel removed a bullet from Denham's body. I maintained custody of the bullet and of Denham's body until I was relieved at UCSD Hospital by Detective Sanchez #6610. I turned custody of the bullet over to him.

OFFICER'S REPORT

ON 08-08-2018 AT ABOUT 1717 HOURS, I WAS DISPATCHED TO ASSIST IN A CALL OF A MALE WHO HIT ANOTHER MALE WITH A MACHETE.

UPON ARRIVAL, I TAPED UP THE STREET OF 1000 S. 40TH STREET AT NATIONAL AVENUE. I TAPED OFF THE SOUTH ALLEY OF 3900-4000 NATIONAL.

I SPOKE TO A WITNESS, [REDACTED], WHILE MAINTAINING A PERIMETER 1000 S. 40TH STREET.

STATEMENT OF [REDACTED] (WITNESS) PARAPHRASED:

I WAS DRIVING SOUTH ON 40TH STREET WHEN I SAW A SUSPECT UP AND RESISTING FIGHTING WITH PD. HE WAS ON THE GROUND AT ONE POINT. I THINK THEY SHOT HIM. I SAW THE OFFICERS POINTING GUNS AT THE SUSPECT. I DID NOT HEAR ANY GUN SHOTS. I SAW A LOT OF BLOOD POOLING. THERE WAS DEFINITELY SOME TRAUMA. THE THREE OFFICERS WERE TRYING TO PIN & RESTRAIN THE SUSPECT, THE SUSPECT WAS STILL FIGHTING. I DID NOT SEE ANY WEAPONS.

I CALLED THE THREE REPORTING PARTIES, [REDACTED], [REDACTED], AND [REDACTED]. I LEFT A VOICE MAIL WITH [REDACTED] PHONE JUST HUNG UP AFTER RINGING MULTIPLE TIMES. NO CONTACT VIA PHONE WAS MADE.

## OFFICER'S STATEMENT:

On 08-08-2018, at approximately 1715 hours Officer Ayala #7158 and I responded to the 4000 block of National Avenue to assist of a report of a firearm being discharged while officers were investigating an assault with a deadly weapon involving a machete and a chain.

We arrived on scene and I was advised to secure Officer Pitts patrol vehicle at 4000 Boston Avenue. While I was in route to his vehicle, Officer Pitts advised over the radio that the victim was still located in front of 4051 Boston Avenue. I drove Officer Pitts' vehicle to the previously mentioned address and located a black male laying on his back on the sidewalk. He appeared to have multiple injuries and was bleeding from his left arm and from the top of his head. The victim had an approximately 3 1/2" laceration to the top of his head and superficial cuts to this chest. The victim advised me his name was [REDACTED] and that he was attacked with a machete. I applied paper towels to the wounds I could see on [REDACTED] body.

[REDACTED] told me the suspect was breaking windows in the backyard and then slashed at him with a machete. The suspect who slashed at [REDACTED] was a family friend named "Van". Virgil described him as a black male, in his 50's, approximately 6'2 in height with long black hair. [REDACTED] told me he was the one that the officers were shooting at though he didn't see the officers shooting. Based on [REDACTED] disoriented state of mind while on scene I paused my questioning.

Paramedic unit 11 arrived on scene and provided medical aid to Virgil. Medic 11 transported Virgil to UCSD and I rode in the ambulance with [REDACTED]. We arrived at the hospital and I gathered a more detailed statement from [REDACTED] after the medical stabilized him. [REDACTED] provided me the following statement.

### Statement of [REDACTED] (Victim)

[REDACTED] essentially told me:

I was inside the house sleeping. I heard some screaming coming from the backyard so I woke up and walked outside. I saw Van, I think that's how you say his name, outside breaking the car windows in the backyard with a chain. I don't him that well. This was the first day I met him. I walked out and confronted him. I told him he can't be doing that and to put the chain down. He started swinging the chain at me. He swung at me about 15 times but I was able to dodge all the swings. While he was swinging the chain he was saying he was going to kill me. He kept saying it over and over again.

I guess he got tired of swinging the chain and found a machete (Approximately 12" inches in length with no handle) by the tools in the backyard. Van started kicking the fence by the alley and was breaking down the fence. I really started to yell at him but I gave up and went to the front yard to sit

down. I could hear [REDACTED] Van's girlfriend, telling him to stop doing what he was doing because she knew he couldn't beat me up. [REDACTED] was telling him to stop and to put the machete up. Van was saying "I'm going to kill him" and I knew he was talking about me. I started laughing at him and I continued to walk out to the front yard.

While I was sitting out front in a chair, he came up in front of me. I told him not to do anything stupid and he said "I'm going to kill you" and hit me with the machete in my head. Then he kept swinging it at me when I got up and stepped sideways to get away. He must have swung it about 15 times and hit me about 4 to 5 times. While he was swinging the machete he said he was going to beat my ass and kill me. He said there were people riding around looking for me and he was going help them out by killing me. He said that about 15 times. The blood from head got in my eyes so I just rushed him and tackled him. I pinned him to the ground until the cops got there. Some people in the neighborhood tried to help me but they weren't strong enough to hold him.

Van ran back to the backyard with the machete and I just laid on the ground. [REDACTED] was with him and they ended up walking west towards 40<sup>th</sup> street. Within a couple minutes I heard the gunfire. I didn't see the cops shoot him but I heard the sirens and then gunshots. I just figured it was them shooting at him. The machete should be in the back yard. I didn't see him walking down the street with it. I didn't do anything to him, he attacked me. I just defended myself.

After speaking with [REDACTED] I took photographs of his injuries. I informed Sergeant Alexander #4638 that the hospital staffed considered [REDACTED] injuries to be no- life threatening and they would be keeping him under observation. I waited with [REDACTED] at room 527 A until Detective Sanchez #6610 arrived at the hospital. After Detective Sanchez finished speaking with [REDACTED] he advised me I was relieved and could return to Southeastern at approximately 0015 hours.

### EVIDENCE:

I impounded an original CD under the barcode number 10913840 at the Southeastern Substation and provided a copy of my A-9 and a copy of the CD to Homicide Team 4.

### OFFICER STATEMENT:

On 08-08-2018, at 1748 hours, I was duty in full police uniform and driving a marked patrol vehicle with PERT Clinician Williams #9966 when I responded to 4036 Boston Avenue to assist with an assault with a deadly weapon investigation.

Upon my arrival on scene, Sergeant Alexander #4638 directed me to conduct witness checks on the street. I checked the following addresses on Boston Avenue and spoke with following persons:

At [REDACTED], I spoke with [REDACTED] and took [REDACTED] statement.

#### Paraphrased Statement of [REDACTED] (Witness):

[REDACTED] head an argument outside. [REDACTED] looked out and saw a guy walking down the street (westbound on Boston Ave) and saw the guy's girlfriend following him. [REDACTED] said it looked like the guy was carrying a "chain". [REDACTED] described the guy as a black male and said he sees him every day.

There was no answer at 4043 Boston Avenue. Officer Hernandez #7253 spoke with a resident at [REDACTED] (See his Arjis-9 for details).

At [REDACTED], I spoke with [REDACTED]. [REDACTED] head sirens but did not hear or see anything else.

At [REDACTED], I spoke with [REDACTED]. [REDACTED] said [REDACTED] did not hear anything because of her loud air conditioner. When [REDACTED] looked outside [REDACTED] saw emergency vehicles.

At [REDACTED], I spoke with [REDACTED]. [REDACTED] did not hear or see anything.

At [REDACTED], I spoke with [REDACTED]. [REDACTED] did not hear or see anything.

At [REDACTED] I spoke with [REDACTED] [REDACTED] wasn't home earlier.

At [REDACTED] I spoke with [REDACTED] and took [REDACTED] statement.

Paraphrased Statement of [REDACTED] (Witness):

[REDACTED] was walking down 40<sup>th</sup> street to go home (east side of street). [REDACTED] saw a squad car pull over. [REDACTED] saw a guy (suspect) "rushing" an officer with what looked like a "chain". A lady was running after the suspect telling him to stop. The officer was in his car and then got out.

The officer told the suspect to stop and the guy didn't listen. The suspect tried to "rush" the officer. The officer told him to stop again. The suspect swung twice at the police vehicle with the chain. The officer shot the suspect with a stun gun but "it didn't affect him". The suspect didn't go down. It appeared the suspect still had the chain in his hand after the officer tried to use his taser.

It looked like the officer dropped the stun gun on the ground. The officer backed up and was telling the suspect to stop. The suspect kept walking toward the officer. The officer kept backing up. The suspect "wouldn't stop". [REDACTED] then heard two shots when the officer and suspect were out of sight.

[REDACTED] said he was about twenty yards away from the officer and suspect when the incident happened. [REDACTED] was on the east side of the street and the incident happened in the road.

[REDACTED] described the suspect as a black male without a shirt, tattoos on his chest/stomach, dreadlock looking hair, black pants or shorts, and a goatee. [REDACTED] thinks [REDACTED] could recognize the suspect if [REDACTED] saw him gain.

At [REDACTED] I spoke with [REDACTED] [REDACTED] did not hear or see anything.

There was no answer at [REDACTED]

At [REDACTED] I spoke with [REDACTED] [REDACTED] saw cops outside and saw a guy bleeding from the head.

I also assisted with maintaining a perimeter position at 40<sup>th</sup> Street and Boston Avenue until relieved by Officer McPartland #6445 and Officer Gutierrez #6213.

**OFFICERS REPORT:**

ON 08/08/2018, AT 1718 HOURS I RESPONDED TO A REPORT OF SHOTS FIRED AT 4000 NATIONAL AVENUE. I ARRIVED AT THE LOCATION AND TOOK A PERMANENT POST AT 40TH ST AND NATIONAL AVENUE. LATER I WAS ASSIGNED TO 40TH STREET AND NEWTON AVENUE. I SPOKE TO A WITNESS, [REDACTED] PROVIDED A STATEMENT AND ESSENTIALLY TOLD ME THE FOLLOWING:

**STATEMENT OF [REDACTED] (WITNESS)**

[REDACTED] HEARD [REDACTED] MOTHER YELLING OUTSIDE. [REDACTED] WENT OUTSIDE + SAW WHAT WAS GOING ON. [REDACTED] SAW AN OFFICER POINTING HIS GUN AT A BLACK MALE. THE OFFICER WAS WALKING BACKWARDS AS HE WAS YELLING FOR THE MALE TO STOP. THE BLACK MALE HAD A CHAIN IN HIS HAND AND WAS SWINGING IT TOWARDS THE OFFICER. THE OFFICER YELLED "DROP IT" SEVERAL TIMES WHILE CONTINUING TO WALK BACKWARDS NORTH ON 40TH STREET. THE MALE LOOKED LIKE HE KEPT SWINGING THE CHAIN. THE OFFICER FIRED 2 OR 3 SHOTS AND THE MALE FELL TO THE GROUND. ANOTHER OFFICER IN A VEHICLE ARRIVED QUICKLY AND ASSISTED THE 1ST OFFICER IN ARRESTING THE MALE. [REDACTED] USED [REDACTED] CELL PHONE TO RECORD THE INCIDENT.

I MAINTAINED MY POST UNTIL RELIEVED

# OFFICER'S NARRATIVE:

On 08-08-2018 at about 1730 hours, I responded to 4036 Boston Avenue regarding an assault with a deadly weapon. The reporting party, [REDACTED] informed dispatch that a male hit a male in the head with a machete. Officer Hernandez assisted me with the radio call.

Upon our arrival, I assisted officers by holding a perimeter at the intersection of Boston Avenue and 40<sup>th</sup> Street. While at the perimeter, I was flagged down by a [REDACTED]. The [REDACTED] told me [REDACTED] witnessed an assault on Boston Avenue. [REDACTED] also told me [REDACTED] was a Spanish speaker. I met with [REDACTED]. [REDACTED] provided me with the following statement.

Statement of [REDACTED]

Not verbatim

The statement was in Spanish, I translated into English. [REDACTED] essentially said [REDACTED] was walking east bound on Boston Avenue. [REDACTED] was with [REDACTED]. While walking, [REDACTED] saw a male and female were arguing in the middle of the street on Boston Avenue. The female was pushing the male into the street. [REDACTED] noticed the male was holding a machete in one of his hands. [REDACTED] was unable to understand why they were both arguing but told me it looked as if the female was trying to prevent the male from going onto a yard located on Boston Avenue. The male walked towards a yard and began to walk towards a male (victim). The victim was sitting on a stair case which leads into a residence. The suspect walked up to the victim and struck him with the machete 4-5 times. [REDACTED] was unable to see where the victim was struck. Soon after the victim was struck with the machete he began to scream. [REDACTED] fled the scene. [REDACTED] did not call police because [REDACTED] was frightened.

[REDACTED] described the suspect as a black adult male. He was shirtless and wearing dark pants. The female that was arguing with the male was described as a black female adult about 40 years old. She was wearing a brown shirt and shorts (unknown color). The victim was a black male. [REDACTED] was unable to provide me with further description.

Due to [REDACTED] age, I did not obtain a statement from [REDACTED]. After obtaining [REDACTED] statement, I maintained my perimeter position. I was released from the scene at approximately 2145 hours.

OFFICER'S NARRATIVE:

ON 8-8-18, AT APPROXIMATELY 1720 HOURS, OFFICER MORALES #6699 AND I RESPONDED WITH OUR EMERGENCY LIGHTS AND SIRENS FROM MID-CITY DIVISION TO 40TH AND NATIONAL AVENUE TO A REPORT OF SHOTS FIRED AND OFFICERS NEEDED ASSISTANCE.

AS I ARRIVED ON SCENE, I SAW PARAMEDICS WERE TREATING A MALE (SUSPECT) ON THE GROUND AT 1100 S 40TH STREET. I CONDUCTED WITNESS CHECKS ONCE THE SCENE WAS SECURED. I SPOKE TO THE RESIDENTS AT [REDACTED] AND [REDACTED] WHO SAID THEY ONLY HEARD THE GUNSHOTS BUT DID NOT SEE ANYTHING.

I SPOKE TO A WITNESS, LATER IDENTIFIED AS [REDACTED] AT [REDACTED] WHO SAID [REDACTED] SAW THE INCIDENT. I TOOK [REDACTED] PARAPHRASED STATEMENT BELOW.

STATEMENT OF [REDACTED] (WITNESS):

I WAS OUTSIDE MY HOUSE WHEN THE OFFICER WAS WALKING BACKWARDS IN THE STREET. I SAW A MALE (SUSPECT) ABOUT 6 FEET AWAY FROM THE POLICE OFFICER WITH HIS GUN OUT WALKING BACKWARD. I SAW THE SUSPECT CONTINUE TO SWING THE CHAIN OVER HIS HEAD AS HE KEPT BACKING THE OFFICER UP. THE FENCE IN MY FRONT YARD BECOMES A LITTLE HIGHER, AND I LOST SIGHT OF THE OFFICER AND THE SUSPECT. NEXT, I HEARD THE GUNSHOTS GO OFF AND ALL THE POLICE CARS START SHOWING UP.

I HAD [REDACTED] STAY IN HIS HOME UNTIL DETECTIVES COULD SPEAK TO [REDACTED]

I CONTINUED CHECKING FOR WITNESSES. I SPOKE TO RESIDENTS AT [REDACTED] WHO SAID THEY WERE NOT HOME WHEN THE INCIDENT OCCURRED. I SPOKE TO THE RESIDENTS AT [REDACTED] WHO SAID THEY ONLY HEARD A FEMALE YELLING OUTSIDE, BUT DID NOT SEE ANYTHING.

I SPOKE TO [REDACTED] A RESIDENT, LATER IDENTIFIED AS [REDACTED] AT [REDACTED]

WHO SAID SHE WITNESSED PART OF THE INCIDENT. I TOOK [REDACTED]

PARAPHRASED STATEMENT BELOW.

STATEMENT OF [REDACTED] (WITNESS):

I WAS INSIDE MY HOUSE WHEN MY [REDACTED] WAS AT THE LIVING ROOM WINDOW SAYING THERE WAS A MAN OUTSIDE WITH A GUN. I WENT TO THE WINDOW AND SAW IT WAS A POLICE OFFICER. I SAW A MALE (SUSPECT) WITH NO SHIRT ON AND A CHAIN IN HIS HAND. I SAW THE SUSPECT CONTINUE TO APPROACH THE OFFICER AS THE OFFICER WAS WALKING BACKWARDS.

I SAW A FEMALE ON THE OTHER SIDE OF THE STREET, AND I THINK IT WAS THE SUSPECT'S GIRLFRIEND. I HEARD THE FEMALE YELLING AT THE SUSPECT MULTIPLE TIMES SAYING "PUT IT DOWN." ALL THREE KEPT WALKING UP THE STREET OUT OF SIGHT, AND I HEARD THE GUNSHOTS A FEW MOMENTS LATER.

I STAYED ON SCENE UNTIL I WAS RELIEVED AT 2148 HOURS.

I HAD MY BODY WORN CAMERA RECORDING WHILE GATHERING WITNESS STATEMENTS.

### Officer Statement:

On 08/08/18 at approximately 1713 hours, I was working in full uniform and driving a marked patrol vehicle. I am currently assigned to the Southeastern Division Crime Suppression Team. During my duties, I was monitoring Southeastern Division's radio traffic and heard dispatch broadcast that an assault with a deadly weapon incident was occurring at residence 4036 Boston Ave. Dispatch advised patrol officers that a suspect struck a victim in the head.

While en-route, Officer Pitts #7564 arrived on scene. Seconds later, Officer Pitts advised that he was chasing the suspect and deployed his taser. Officer Pitts then advised he was struggling with the suspect and that shots were fired at 40<sup>th</sup> Street and Newton Ave. I arrived shortly after and saw several officers providing first aid to the suspect in the middle of the street. The officers on scene pointed south and told me the victim from the original attack was still at the 4000 Boston Ave.

I arrived at 4000 Boston and saw Officer Hamilton #7339 standing along the south curb in front of 4055 Boston Ave. I stopped and stepped out of the vehicle to assist Officer Hamilton. As I stepped out, I noticed Officer Hamilton speaking to the victim involved in the assault. The victim, who was identified as, [REDACTED] was lying on his back which his feet facing north and his head south. I approached [REDACTED] and saw several lacerations on his stomach, arms, and head. I knelt down and saw a blood soaked shirt pressed against his left shoulder and neck. [REDACTED] breathing was labored and difficult to understand as I tried talking to him.

[REDACTED] later gave consent to remove his wallet from his right front pocket to identify himself. [REDACTED] possessed his California identification card. While [REDACTED] was lying on the ground, I knelt beside him and asked where the incident took place. [REDACTED] told me it occurred across the street from where he was lying down. He continued and said a large RV was parked in front of the residence, which was [REDACTED]. I have personally responded to the residence and have arrested subjects there.

I waited for additional officers to arrive on scene. I then coordinated with officers to close both side of the street in effort to preserve evidence. The parked patrol vehicle that was parked near [REDACTED] remained there. The vehicle belonged to Officer Pitts. A short time later, assisting officers (Officer Sterling #6955, Officer Garcia #7657 and Officer Fadness #7473) arrived. The officers assisted me by conducting a warfare check at [REDACTED] to make sure there were no other injured victims. The assisting officers and I walked to the rear and notice three parked abandon vehicle in the backyard. I noticed that all three rear windows to the vehicles were broken with scattered tempered glass spread on the dirt floor. After checking the backyard, Assisting officers and I then checked the interior of the residence. We did not find any additional victims inside.

I then walked out of the front door and noticed fresh blood smeared on the concrete floor. The blood smear was approximately 10 feet east from the front door. The front door was facing south, toward the street. I continued walking toward the street and noticed a recreation pool device (turtle shape floater) and metal framed chair covered in blood. The items were piled against the north curb about 7 feet from the driveway.

Officer Garcia #7657 advised me he had spoken to a witness who resided at [REDACTED]. The witness told Officer Garcia that the suspect had thrown an object on the roof of 4056 Boston Ave. I requested SDFD for a ladder to check the roof. San Diego Fire Engine 12 arrived and provided a ladder. I positioned the ladder along the side of the residence (east end). I climbed up to the roof using the ladder. I walked to the northwest corner of the roof and located a stain steel object on a blue tarp. The object was a machete with a handle. The blade was approximately 1 and half feet in length. Upon further inspection, I noticed the entire weapon was covered in fresh blood. I left the machete there until it was properly collected.

I walked back down from the roof and remain at the post, which was located in front of residence 4051 Boston Ave. Officer Sterling remained at the front drive of 4056 Boston Ave.

### OFFICERS STATEMENT:

On 08-08-2018, at approximately 1730 hours, Officer Simmers #7403 and I responded to a radio call of an assault with a deadly weapon at 4036 Boston Avenue. While we were driving to the location, Officers called out "Shot fired" over the police radio. When we arrived on scene, officers were treating the suspect's injuries. I located Officer Pitts #7564 who was the Officer that fired his weapon, and removed him from the scene. I waited with him until Officer Medina #6545 from Peer Support arrived and replaced me.

I then approached the suspect, who I recognized from previous contacts as Vaughn Denham 10-01-1969. I notified Sergeants White #6187 and Alexander #4638 of the suspect's identity. I then responded to the original scene at 4056 Boston. I assisted with clearing the residence and yard, checking for any other possible victims. While clearing the yard, I observed a large amount of blood on the front steps and driveway of the residence. I then took a perimeter position east of the scene on Boston Avenue and prevented people from entering. I remained on the perimeter until I was later relieved by Officer Loughlin #7066.

**INVESTIGATIVE FOLLOW-UP:**

**R.E. Hospital follow-up**

On August 08, 2018, at 1730 hours, I received a phone call from Detective Sergeant M. VELOVICH to respond to 4000 National Avenue, San Diego, regarding an Officer Involved Shooting. I arrived at approximately 1825 hours and met with other members of Homicide Team IV, which consisted of Sergeant VELOVICH, Detective T. DEMAS #6479, Detective I. DELGADILLO #5596, C. MURRAY #6120 (relief), and M. SHERBONDY #6516 (relief).

At 1917 hours, Sergeant A. ALEXANDER #4638 and Sergeant F. WHITE #4435 conducted the briefing. After the briefing, Homicide Team IV took over the investigation.

I responded to UCSD Medical Center (200 W. Arbor Street) to await the arrival of the Medical Examiner and the body removal team. I spoke with hospital staff and learned Dr. COSTANTINI was the Attending Physician.

At approximately 0030 hours I met with Officer B. DOWNING #7203 at Operating Room #11. Officer DOWNING was standing watch over the suspect, Vaughn DENHAM'S, body. Detective SHERBONDY and Detective MURRAY were both present with me.

At 0030 hours, Sergeant VELOVICH notified the Medical Examiner's Office.

At 0030 hours, I received a bullet and a shoe from Officer DOWNING. Per Officer DOWNING, the bullet was recovered from DENHAM'S body. I later transferred custody of the bullet and shoe to CSS SOUTHERLAND #8841 (**See CSS SOUTHERLAND'S report for details**).

At 0118 hours, MEI Chris BURTON #23 and Joseph LEMON Jr. #16947, with the body removal team, arrived at Operating Room #11.

I provided BURTON with a brief synopsis of the incident and he provided me with the Medical Examiner's case number (18-1945) assigned to DENHAM.

At approximately 0125 hours, MEI BURTON, Detective SHERBONDY, Detective MURRAY, and I entered the operating room. I could see a black male, previously identified as Vaughn DENHAM lying on the operating table covered by a blanket. MEI BURTON removed the blanket, at which point, I could see he was unclothed and had several medical intervention devices on and around him. DENHAM had black socks with images of white skulls on both feet. DENHAM's lower torso was also lying on top of a pair of black shorts with an Australian flag emblem. Also present was a black belt. DENHAM had (3) rings. One ring was on his right ring finger, the other on his left ring finger, and the third was on his left pinky. DENHAM also had a necklace around his neck and earring on his left ear. I further observed DENHAM had a tattoo on his neck.

I noted two apparent gunshot wounds on DENHAM'S body. The first gunshot wound was located on the right lower portion of DENHAM'S chest. The other was to his left wrist. I did not note any obvious exit wounds.

DENHAM'S body was turned onto its side. I did not note any visible injuries or trauma.

At 0146 hours, LEMON placed a yellow band around DENHAM'S right ankle with his name and the Medical Examiner's case number.

At 0148 hours, LEMON placed paper evidence bags on DENHAM'S feet.

At 0149 hours, LEMON placed paper evidence bags on DENHAM'S hands.

At 0152 hours, LEMON placed paper evidence bags on DENHAM'S head.

At 0204 hours, LEMON placed DENHAM into a white body bag.

At 0205 hours, LEMON sealed the body bag with red tag #4466702.

At 0215 hours, DENHAM was removed from the Operating Room and transported to the Medical Examiner's Office, and we cleared the scene.

<b>ORDER SEALING SEARCH WARRANT DOCUMENTS</b>	WARRANT NUMBER <b>E2018-590</b>

For the reasons set forth below, it is hereby ordered that the ☒ warrant ☐ affidavit (for telephonic warrants, the transcription) ☒ receipt and inventory, pertaining to the above-referenced search warrant number, be sealed ☐ in part ☒ in its entirety, pending further order of the court. For telephonic warrants, the compact disc copy of the recording is hereby ordered sealed in its entirety, pending further order of the court. The court finds sealing is necessary because:

☒ Disclosure of the identity of an informant is against the public interest because the necessity for preserving the confidentiality of his or her identity outweighs the necessity for disclosure in the interest of justice. (Evid. Code § 1041; *People v. Hobbs* (1994) 7 Cal.4th 948, 963.)

☐ Disclosure of the information is against the public interest because there is a necessity for preserving the confidentiality of official information that outweighs the necessity for disclosure in the interest of justice. (Evid. Code § 1040.)

☐ The information pertains to a minor who is or may come under the jurisdiction of the juvenile court. (Welf. & Inst. Code § 827; Cal. Rules of Court, rule 5.552.)

☐ There exists an overriding interest that overcomes the right of public access to the record; the overriding interest supports sealing the record; a substantial probability exists that the overriding interest will be prejudiced if the record is not sealed; the proposed sealing is narrowly tailored; and no less restrictive means exist to achieve the overriding interest. **CRIME SCENE REPORT**

**CALL OUT:**

On August 8, 2018, at 1730 hours, I received a phone call from Detective Sergeant M. VELOVICH to respond to 4000 National Avenue, in the city of San Diego, regarding an Officer Involved Shooting. I arrived on scene at 1800 hours and learned the Officer Involved Shooting took place on 1000 S 40<sup>th</sup> Street along with an additional scene located at 4056 Boston Avenue. The scenes were located in the Southcrest neighborhood of San Diego. This area of the city is patrolled by Southeastern Division and is on service area 442.

When I arrived, I noted the weather temperature was 86 degrees with clear and sunny skies. I observed 1000-1100 S 40<sup>th</sup> Street was comprised of residential family homes. The street allows for both north and south traffic. 4000 Boston Avenue is comprised of residential family homes. The street allows for both east and west traffic.

1000-1100 S 40<sup>th</sup> Street between National Avenue and Boston Avenue was cordoned off by yellow crime scene tape with both an inner and outer perimeter and maintained by patrol officers. Additionally, 4000 Boston Avenue between S 40<sup>th</sup> Street and S 41<sup>st</sup> Street was cordoned off by yellow crimes scene tape with officers maintaining a perimeter.

**HOMICIDE PERSONNEL:**

Present from the SDPD Homicide Unit was Captain Thomas UNDERWOOD #5001, Lieutenant Matthew DOBBS #5228, Detective Sergeant Michelle VELOVICH #5353, Detective Sergeant Geoff DECESARI #6026, Detectives Maria DELGADILLO #5596, Brian SANCHEZ #6610, Michael SHERBONDY #6516 (Relief), Christopher MURRAY #6120 (Relief), and myself. Also present was Crime Scene Specialist A. SOUTHERLAND #8841 and Criminalist Brian LEW #8228.

Others present for the briefing included the following: Chief David NISLEIT #4303, Executive Assistant Chief Philip JARVIS #3663, Acting Patrol Chief, Rudolph TAI #4709, Captain Jerry HARA #4973 (Captain of Southeastern Division), Lieutenant Ernesto SERVIN #4886, Sergeant Frank WHITE #4435,

Sergeant Richard FOX #5050 (Internal Affairs), Sergeant Larry LEIBER #5206 (In-Service Training), Sergeant Alonso ALEXANDER #4638, Officer Kenneth ROBBINS #5459, and DAI Jorge DURAN #223.

**BRIEFING:**

At 1917 hours, Sergeant ALEXANDER and Sergeant WHITE conducted the briefing. The briefing was audio recorded and later downloaded onto a CDR and impounded at police headquarters under barcode #10918132. The briefing took place on the street of 1100 S 40<sup>th</sup> Street. Sergeant ALEXANDER essentially stated the following:

*(The following is a paraphrased statement it is not to be considered a substitute for listening to the CDR containing the entire audio recorded briefing)*

*At 1730 hours, dispatch received a call at 4036 Boston Avenue with a phone number of [REDACTED]. A follow up call also stated a male with a machete. The reporting party was [REDACTED]*

*The temperature was 86 degrees.*

*First officer on scene was 446Y2, Officer Corey PITTS. Officer HAMILTON #7379 arrived on scene and was with the initial victim [REDACTED]. The second officer on scene was Officer SERRANO. I was the third officer to arrive on scene and briefly spoke with [REDACTED]. [REDACTED] told me "Vaugh did it." [REDACTED] initial injuries were on the left side of his head, left wrist, and two lacerations across his chest.*

*Paramedic Unit 11 and Engine 12 arrived on scene and transported [REDACTED] to UCSD (Trauma # [REDACTED]).*

*A witness ([REDACTED]) had heard the suspect throw something onto a roof top. Officers later located a bloody machete/knife on the roof top of [REDACTED]. Officers conducted a check of the residence and did not locate anything further.*

Sergeant WHITE essentially stated the following:

*(The following is a paraphrased statement it is not to be considered a substitute for listening to the CDR containing the entire audio recorded briefing)*

*At 1713 hours, [REDACTED] from [REDACTED] reported an assault with a machete. The radio call was entered into communications at 1713 hours and dispatched out at 1714 hours. The incident number was 18080013593. The call originally came in as a 245 "hot call" at [REDACTED], beat 442. Weather conditions were clear and sunny and the temperature was 86 degrees.*

*The first officer to arrive on scene was Officer Corey PITTS #7564 at 1716 hours. He was unit 446Y2.*

*The suspect was Vaughn DENHAM, DOB 10-01-1969, black male, 6'2, and 160lbs. Last known address was [REDACTED]. DENHAM was transported to UCSD and pronounced deceased at 1945 hours by Dr. CONSTANTINI. Initially DENHAM's injuries were described as one gunshot wound to the chest and one gunshot wound to left hand possibly traveling up his arm and out his bicep. Officer DOWNING #7203 (431Y2) was with DENHAM as UCSD Hospital.*

*The following witnesses are:*

1. [REDACTED]  
[REDACTED]. [REDACTED] spoke with Officer BELANGER #7326 (811Z2) and stated her boyfriend (DENHAM) had smoked PCP 20 minutes prior. [REDACTED] did not stay at the scene.
2. [REDACTED]  
[REDACTED]. [REDACTED] spoke with Officer BELANGER and stated [REDACTED] heard a commotion, went outside, turned on [REDACTED] phone, and filmed the incident. [REDACTED] was standing by with Officer BELANGER at 40<sup>th</sup>/Newton Avenue.
3. [REDACTED]  
[REDACTED]. [REDACTED] spoke with Officer SIMMERS #7403 (455Q) and stated he heard yelling in the street from his doorway. Saw a man swinging a chain and a police officer backing away from the suspect. The officer was loudly saying stop and get down. The suspect swung the chain at the officer and the officer fired two shots. [REDACTED] was standing by with Officer SIMMERS at [REDACTED].
4. [REDACTED]  
[REDACTED]. [REDACTED] spoke with Officer SIMMERS and stated [REDACTED] was inside [REDACTED] residence, heard dog barking, went outside to quiet dog, and saw a skinny male with no shirt, puffy hair, and a chain around his neck. [REDACTED] then saw the male swinging the chain at the officer. The officer told him to back up. [REDACTED] heard the shots but did not see them. [REDACTED] was standing by with Officer SIMMERS at [REDACTED].
5. [REDACTED]  
[REDACTED]. [REDACTED] spoke with Officer CUMMINGS #6639 (811Z2) he was a block south of the shooting, saw the police car stopped, and the officer was backing away from the suspect. The officer was yelling at the suspect to drop what was in his hand and saw the shooting but was a block away. [REDACTED] was standing by with Officers CUMMINGS at 40<sup>th</sup> and Newton Avenue.
6. [REDACTED]  
[REDACTED]. [REDACTED] spoke with Officer BELANGER stated she heard a commotion down the street. Saw an officer walking backwards and the suspect walking towards the officer. She heard the officer say stop several times and heard a pop (she thought it was

the Taser). Saw the officer continue to yell stop. [REDACTED] then saw two officers drive by, stop, pull out there guns, and heard 3-4 pops. [REDACTED] saw the suspect holding a chain down by his side. [REDACTED] also spoke with the girlfriend of the suspect just after the shooting and she told [REDACTED] the suspect was on PCP and thinks he got a bad batch. [REDACTED] was standing by with Officer BELANGER at 40<sup>th</sup> and Newton Avenue.

7. [REDACTED] [REDACTED] spoke with Officer Orso #6760 (830PT) and stated she heard a commotion and saw the suspect swinging a chain at a police officer. The officer told the suspect to put the chain down. [REDACTED] began filming the incident with her cell phone and did capture the shooting. [REDACTED] was standing by with Officer ORSO at 40<sup>th</sup> and Newton Avenue.

8. [REDACTED] [REDACTED] spoke with Officer Gonzalez #6996 (440PT) on the phone and stated she heard a commotion and saw two officers fighting with the suspect in the street and there was a lot of blood. Called 911 and doesn't know if the part she saw was before or after the shooting.

The scene of the OIS is located at 1000 S 40<sup>th</sup> Street. It is directly in front of vehicle #7007 which is parked mid-block 1000 S 40<sup>th</sup> Street. When I arrived, the suspect was still down in front of that vehicle and handcuffed. It appeared he was originally confronted at 1100 S 40<sup>th</sup> Street because Officer PITTS' taser is on 1100 S 40<sup>th</sup> Street. Officer PITTS' vehicle was moved from the scene and parked over in front of 4051 Boston Avenue.

I spoke with Officer PITTS and gave me a safety briefing. Officer PITTS told me he was facing southbound and the suspect was facing northbound. He fired two shots and believed they both stuck the suspect. Officer PITTS went with Officer R. MEDINA #6545 (Peer Support) to Southeastern Division after the incident.

Officer E. LANGLEY #7523 (438Z) and Officer J. IWATSURU #7129 (438Z) arrived on scene as the shooting was occurring. Sgt. C. RIVERA (SDPD Wellness) took those officers to Southeastern Division.

Evidence found located at the scene:

- Chain-West curb line of 1000 S 40<sup>th</sup> Street
- Taser-Midblock 1100 S 40<sup>th</sup> Street
- In front of vehicle 7007 was a bundle of marijuana, Viejas Players Card, disposable razor, bi fold wallet, two bullet fragments on ground, a broken watch, one shoe, a lighter, bloody handcuffs, and medic supplies

Medic #10-Paul MAXWELL #PM3228 and Andrea NISSLEY #AN3675

Engine #12-Karl BENSON #KB0900, Antonio DAVIS #AD7215, Bryan GRAY #BG4773, and Paul MAESTRAS #PM3187

*-End of Brief at 2032 Hours-*

I later determined the incident with the machete did not occur at [REDACTED] Avenue but at [REDACTED] Avenue.

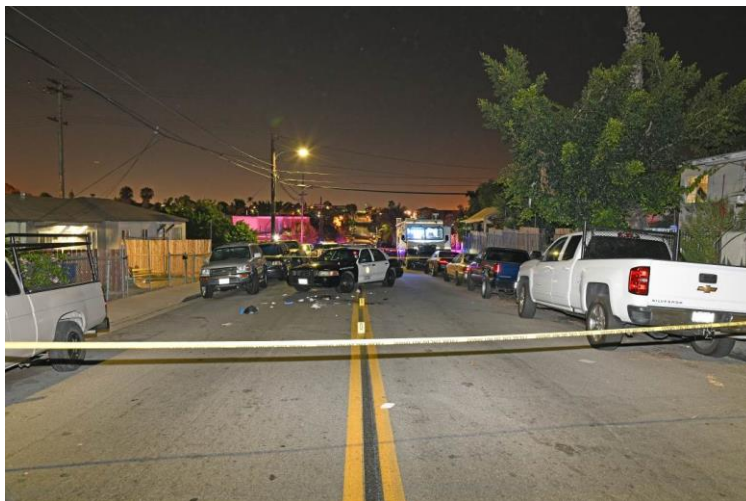

After the conclusion of the briefing, Sergeant VELOVICH assigned Detective DELGADILLO and me to be the crime scene investigator. Crime Scene Specialist (CSS) Ally SOUTHERLAND and Criminalist Brian LEW were assigned to assist with the crime scene reconstruction. Criminalist LEW later also assisted in collection of cell phone evidence from witness, [REDACTED] (See **Detective Sanchez's report for details**).

#### **OFFICER WALK-THROUGH:**

Officer PITTS agreed to participate in a voluntary walk-through to show investigators the sequence of events that took place at the time of the shooting and for purpose of evidence recovery. Officer PITTS' walk-through began at 2127 hours and ended at 2137 hours. The walk-through was audio recorded and later downloaded onto a CDR and impounded at SDPD Headquarters under barcode #10918130 (See **Sergeant VELOVICH'S report for further details**).

#### **OFFICER INVOLVED SHOOTING SCENE VIEWING:**

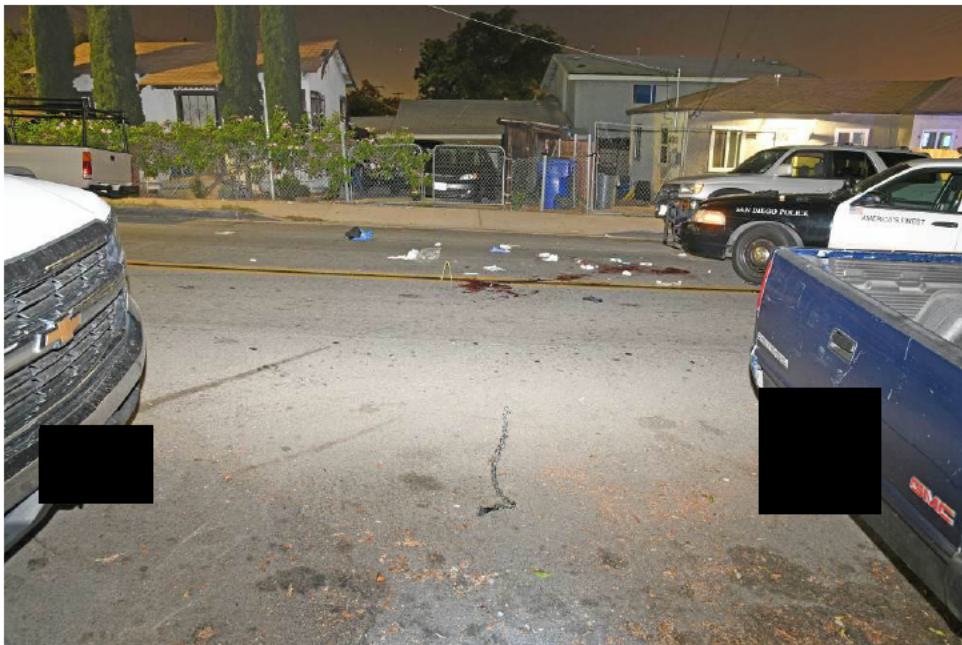

At approximately 2300 hours, Detective DELGADILLO, CSS Ally SOUTHERLAND, and I entered the inner perimeter and conducted a walk-through. The Officer Involved Shooting scene was mid-block 1000 S 40<sup>th</sup> Street. I observed several items in the roadway to include a SDPD patrol vehicle (#7007) parked at an angle in front of various small items on the ground. At approximately 2322 hours, CCS SOUTHERLAND began to take overall photos of the scene, surrounding areas, vehicles, and street. (See picture below.)

I saw there was a large amount of apparent blood on the ground in front of the SDPD vehicle. There were medical supplies strewn the roadway. (See picture below.)

I observed a metal linked chain near the west curb line of 1000 S 40<sup>th</sup> Street in between a white Chevrolet Silverado pickup truck ( [REDACTED] ) and a blue GMC Sierra pickup truck ( [REDACTED] ).(See picture below.)

Further down the street, I saw a black "Axon" Taser laying in the middle of the street on 1100 S 40<sup>th</sup> Street. I also saw laying in front of the Taser was an expended Taser cartridge. (See picture below.)

**664\*187PC (Attempted Murder) SCENE VIEWING:**

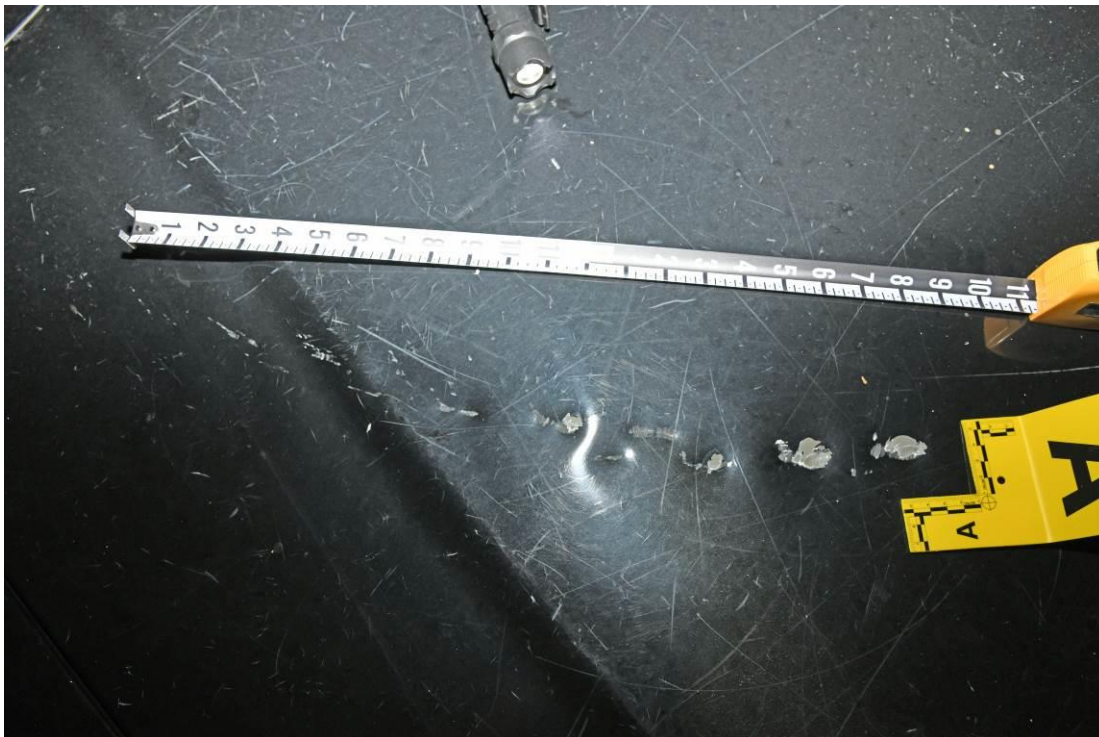

The attempted murder scene took place at [REDACTED]. [REDACTED] is a single story detached residence. The residence has light blue stucco with blue trim. The numbers "[REDACTED]" are mounted in black lettering against the residence, east of the front door. There was a tan colored RV parked in the yard. I observed apparent blood in the middle of the roadway, directly in front of [REDACTED] Boston Avenue. There was also apparent blood on a chair and on an inflatable pool raft. (See picture below.)

Near the residence and also on the street, I saw Officer PITTS' vehicle (#6945) parked. I could clearly see several markings on the hood apparently from a chain strike. The marks appeared fresh, new, and appeared consistent with a chain. The length of the chain marks to the vehicle was approximately 9 inches. (See pictures below.)

As I approached the residence, I saw several more apparent blood stains near the front of the residence.  
(See picture below.)

On the east side of the residence was a ladder supplied by SDFD that was propped against the roof. I climb the ladder and I saw there was a silver machete with no handle laying on the western portion of the roof. (See picture below.)

I climbed back down the ladder and entered the backyard of the residence. I saw three vehicles with their back windows smashed in and a portion of the wooden fence (towards alley) was torn down. (See pictures below.)

### **SEARCH WARRANT:**

After the scene walk-throughs, it was believed DENHAM resided at [REDACTED]. A records check revealed DENHAM listed [REDACTED] as his residence. I later obtained a telephonic search warrant (#E2018-596) to search the residence of [REDACTED] (See Detective DELGADILLO'S report for further details).

### **EVIDENCE LOCATION:**

During the course of the investigation, as evidence was located, each item was assigned a number. When appropriate, overall photographs were taken showing the relationship of each item of evidence to other items of evidence. Prior to the evidence being collected, when appropriate, close-up photographs were taken with the numbered placards in place. Measurements were obtained, using a roll-a-tape tape measuring device to more accurately depict the location of the evidence. (See attached table for measurements).

### **EVIDENCE COLLECTION:**

At approximately 0210 hours on August 9, 2018, CSS SOUTHERLAND collected the following items after being photographed and the location of the evidence measured. Measurements were taken using a roll-a-tape and are approximate. I used two fixed reference points. Our examination of the crime scene revealed the following 28 items of evidence.

**EVIDENCE MEASUREMENTS:**

The following measurements were taken from collected items #1-#21:

**R1: East of the west curb line of 1000 S 40<sup>th</sup> Street**

**R2: South of the south curb line of the west alley of 4000 National Avenue**

Placard #	Description	R1	R2

A measurement of the width of 1100 S 40<sup>th</sup> Street (roadway) was measured at **35'8"**.

A measurement of the distance between the initial contact with DENHAM and when Officer PITTS discharged his firearm was **437'8"**.

CSS SOUTHERLAND and I then responded to 1100 40<sup>th</sup> Street for photographs and collection of the Taser.

The following measurements were taken from collected items #22:

**R3: East of the west curb line of 1100 S 40<sup>th</sup> Street**

**R4: South of the south curb line of the south alley of 4000 National Avenue**

Placard #	Description	R3	R4
